To The Govt Secretary Quilon
Madras Presidency

Respected Sir,

From a newspaper I came to know that our gracious Madras Government promises to give 180 Scholarships to Indian students for Technical education.

I have passed the year before the last Madras Metriculation examination. I shall soon produce a good conduct certificate and a certificate about the good state of my body.

Therefore I humbly request you to be kind enough to grant me one of the Scholarships to go to Japan for Technical education.
