EDUCATIONAL DEPARTMENT.

28-3-1906 Registered 1-3-1906  
Subject.

Requesting to obtain the sanction of Government for the  
continuance until the 31st March 1907 of the temporary clerk in  
the Oriental Manuscripts Library sanctioned in G.O. No. 389,  
Educational, dated 7th June 1905.

Refon cur. No. 10221 of 05

Station Madras, Dated the 27 February 1906.

From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc., F.R.S.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,  
Educational Department.

Sir,

I have the honour to request that you will be  
so good as to obtain the sanction of Government for the continuance  
until the 31st March 1907 of the temporary clerk in the Oriental  
Manuscripts Library sanctioned in G.O. No. 389, Educational,  
dated 7th June 1905.

2. The Curator reports that out of a total number  
of 2860 Telugu works requiring to be described, descriptions have  
been prepared for 616 works and that this work occupied the clerk  
a year. There is therefore likely to be work enough for this  
clerk for another two or three years. It is desirable to push on

with

2/2

with the work while not interfering with the Sanskrit Catalogue.

I have the honour to be,

Sir,

Your most obedient servant,

J. M. M.

For Director of Public Instruction.

6/1.  
26-2-06-

# NOTES.

---

C. No. 323 From the P. 2 No. 10221, dated 27-2-1906

SUBJECT.

Continuance, until the 31<sup>st</sup> March 1907,  
of the temporary clerk entertained in the  
Oriental Manuscripts Library.

Please see the notes and orders in proceed-  
ings no. 389 Est. of the 7<sup>th</sup> June 1905 in which  
sanction was accorded for the continuance,  
until the 31<sup>st</sup> March 1906, of the temporary  
clerk entertained in the Govt. Oriental  
Manuscripts Library for cataloguing roma-  
ncular manuscripts.

2. The Director now applies for the conti-  
nuance of this clerk for another year - until  
the 31<sup>st</sup> March 1907 and states that the  
Curator reports that out of a total number  
of 2860 Shiqu works requiring to be des-  
cribed, descriptions have been prepared  
for only 616 works which occupied the clerk  
for a year and that there is therefore likely  
to be work enough for him for another two  
or three years. Orders are solicited as to  
whether the Director's proposal may be  
approved. If approved a draft is submitted  
below which, it is submitted, may issue  
with the concurrence of the Financial Department.

Ru

5/2/06.

The clerk was first entertained on 1<sup>st</sup> March 1905.

1 3/4 day  
M

Between then and 29<sup>th</sup> February 1904 he prepared 881  
<sup>descriptive</sup> ships for Sanskrit manuscripts - vide statement no vi on  
page 6 of 1900-90 349 fol of 7<sup>th</sup> June 1904. During  
the second year he prepared <sup>descriptive</sup> ships for 425 more works  
and revised in all 1291 ships - vide para: 7(4) of the  
report on Oriental manuscripts library for 1904-05.  
page 4 of 1900-90 421 fol of 21<sup>st</sup> June 1905.

2. The Sanskrit manuscripts were then taken up  
according to the Director's present letter descriptive  
ships for 616 works were prepared in the third year.  
This means about 2 works a day which seems to be  
a very slow rate of progress. The Director's attention  
may perhaps be drawn to this apparent slow  
progress. It may perhaps be advisable to fix a minimum tale  
of 1/3 of the work so that when the actual work falls short of it the Clerk's  
pay may have to be <sup>reduced</sup> for the shortage.

See.  
I would simply sanction.  
616 works seem a fair number.  
Col  
S. J. D. B.

I do not know what amount of work there is  
in preparing the descriptive ships - That  
will depend on the size of the works and the  
state of repair of the MS.  
Sanction for another year as well as the  
B.D. I to verify the quantity of work  
the work turned out  
M. S.
