G.O., No. 744, Educational, dated 15th November 1905.

ABSTRACT.—Informing the Committee of the Lawrence Asylum, Ootacamund, that the Government of India have transferred to the Committee of the Asylum certain of the grants from military funds formerly paid to the Madras Military Female Orphan Asylum.

II

Letter—from the Principal and Secretary, Ootacamund Lawrence Asylum.
To—the Secretary to Government, Educational Department (through the Director of Public Instruction).
Dated—Lovedale, the 31st January 1906.
No.—3096.

I have the honour, under instructions from the Lawrence Asylum Committee, to say that they have had before them at two consecutive Committee meetings, and have carefully considered, the contents of the letter from the Government of India, Military Department, No. 2298-C., dated 15th October 1905, on which letter is based the order of the Madras Government No. 744, dated 15th November 1905.

2. With regard to paragraph 2 of this order the Committee would most respectfully point out—

(i) That before the amalgamation of the Military Female Orphan Asylum with the Lawrence Asylum Girls' school they begged to be assured as to the amount of the annual income on which they could depend for the support of the 100 girls added to the school.

(ii) That the G.O., No. 149, dated 11th March 1905, gave them the assurance that the annual income which they could draw would be Rs. 31,899-7-6.

(iii) That the grant of Rs. 3,300 now disallowed forms one of the items of that assured income.

(iv) That the *minus* balances in the revised estimates for 1905-1906, and in the budget for 1906-1907, on the girls' side, are due to the disallowance of this grant. These *minus* balances show themselves, notwithstanding the care which has been taken in keeping the various allotments as low as possible.

3. I am further instructed by the Committee to request that you will be so good as to lay the matter before His Excellency the Governor in Council and to state that the Committee will try to work the Asylum with the allowance now granted and will report again on the possibility of doing so as soon as experience shall have enabled them to arrive at a definite conclusion.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 163, EDUCATIONAL, DATED 9TH MARCH 1906.

[SUBJECT.—*Financial condition of the Ootacamund Lawrence Asylum.*]

From the Director of Public Instruction, dated 13th February 1906, No. 798.

In paragraph 1 of G.O., No. 744, Educational, dated 15th November 1905, the Committee of the Lawrence Asylum, Ootacamund, were informed that the Government of India had sanctioned the payment to them of the donation interest of Rupees 10,732-12-0 per annum which was formerly paid to the Madras Military Female Orphan Asylum and of a capitation grant of Rs. 5 per girl per mensem up to a maximum of one hundred girls; and in paragraph 2 the Committee were further informed that the Government of India had disallowed the grant of Rs. 3,300 per annum made by them towards the general funds of the late Military Female Orphan Asylum, but that it would appear that the grants now sanctioned together with the interest on investment (Rs. 11,866-11-6) which the Accountant-General and the Treasurer of Charitable Endowments was, under the [*] scheme of amalgamation, authorized to draw and pay to the Committee, would be sufficient for the maintenance of the increased number of girls for whom the Committee had to provide.

2. In reply to paragraph 2 of the order quoted above, the Committee of the Lawrence Asylum, Ootacamund, point out—

(1) that in G.O., No. 149, Educational, dated 11th March 1905, the Government assured them that the annual income which the Committee would draw for the maintenance of the girls of the late Military Female Orphan Asylum (up to a maximum of one hundred) transferred to Lovedale would be Rs. 31,899-7-6;

(2) that the grant of Rs. 3,300 now disallowed forms one of the items of that assured income; and

(3) that the *minus* balances in the revised estimates for 1905-1906 and in the Asylum budget for 1906-1907 on the girls' side are due to the disallowance of the grant of Rs. 3,300 towards general funds. It is stated that these *minus* balances show themselves notwithstanding the care which has been taken in keeping the various allotments as low as possible.

3. The Committee say that they will try to work the Asylum with the allowance now granted and will report again on the possibility of doing so as soon as experience shall have enabled them to arrive at a conclusion.

N.L.R.—21-2-06.

Further developments may be awaited but in regard to the capitation grant of Rs. 5 per girl up to a maximum of 100 sanctioned by the Government of India, it was stated in paragraph 1 of G.O., No. 744, Educational, dated 15th November 1905, that "from the date of their transfer to the Lawrence Asylum, Ootacamund, the girls from "the Madras Female Orphan Asylum will be brought under the ordinary conditions "applicable to those in the former Asylum although, under the provisions of article "1673, Army Regulations, India, Volume I, Part I, a certain number of these girls

---

[*] G.O., No. 212, Educational, dated 5th April 1904.

"would become eligible for the orphan allowance of Rs. 7 per mensem. While "disallowing therefore more than Rs. 5 for such orphans, the Government of India "further intimate that in respect of any recurring expenditure borne by Government "in assisting the asylum, which is directly traceable to the increase in the number of "girls due to the amalgamation, the aggregate sum to be paid will be reduced by the "amount of such recurring expenditure. The Government of India will not, however, "object to the deduction being fixed once for all on the basis of a forecast to be "made now on the probable additional charge involved". The Committee of the Lawrence Asylum was accordingly requested to furnish Government with their views on this point, through the Controller of Military Accounts.

The letter from the Principal and Secretary, Ootacamund Lawrence Asylum, No. 3096, dated 31st January 1906, now received is silent on this point. The Committee may, therefore, be specifically asked to report thereon. If a deduction has to be fixed once for all, the Government of India should apparently be addressed as soon as possible.

P. T. THARYAN—21-2-06.

The current may be recorded and the Committee reminded that they must report as ordered in the last sentence of paragraph 1 of G.O., No. 744, dated 15th November 1905.
