To,

His Excellency,

Lord Ampthill

Governor of Madras.

The humble petition of J. A. J. Tisseverasinghe now residing in Jaffna..

May it please Your Excellency,

The Petitioner begs most respectfully to state that he is a Tamil young man of Jaffna who on the 1st of July last gained admission into the M.B.C.M Class of the Government Medical College Madras paying his tuition fees for one year amounting to ₹105/- but owing to failing health, shortly after admission, due to change of climate and food and to other circumstances beyond his control he had to withdraw suddenly from the College having been in attendance for only 6 weeks. In addition to what he had to deposit as fees the Petitioner had to spend about ₹200/- being the cost of travelling, of books, and appliances purchased and of other incidental expenses all which he had to lose though one in his condition can ill afford to do so.

That on the 27th September last the Petitioner made an application to the Principal Dr D. M. Browning praying that in view of the circumstances

under

under which he had to withdraw from the College and of the very short time he was there such portion of the fees he had deposited as the Principal deem reasonable might be returned to him. The prayer however was refused.

The Petitioner therefore begs to address himself to Your Excellencys' tender and feeling heart as an object deserving of your special commiseration and in consideration of the circumstances set forth above to direct that the rule of the College may be so relaxed as to afford him the special concession of the return to him of such portion of the fees deposited by him as to Your Excellency may seem meet.

For which act of goodness,

The Petitioner, as in duty bound,

Shall Ever Pray.

From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc., F.R.S.,

(Designation) Director of Public Instruction,

To The Secretary to the Government of Madras,
Educational Department.

Sir,

In returning herewith Endorsement No. 708 **Educational** dated 20th December 1905 I have the honour to invite the attention of Government to the following extracts from the report on the subject received from the Principal, Medical College:-

"The applicant/J.A.J. Tisseverasingh / joined the College, at the beginning of the current session and left on the 16th of August last in response to a telegram from Jaffna requiring his immediate return. In his application to me for refund of College fee dated 27th September 1905 he based his request on "family circumstances and unsuitability of the climate of Madras". He was not on sick leave during the time he was at College. It is clear that he severed his connection with the College on some purely private grounds. For these reasons I

considered the grounds of his application to be unsatisfactory and refused to comply with it."

In the circumstances set forth above it appears to me that the Principal was justified in refusing to recommend a refund of any portion of the fee paid by the petitioner.

I have the honour to be,

S i r ,

Your most obedient servant,

J R Slee

For Director of Public Instruction.

SUBJECT.

Petition of J.A.J. Tissevera Singh, late Student of the M.B. & C.M. class of the Madras Medical College for refund of a portion of the tuition fees paid by him on admission into the College.

Pages 2 & 3 of current.

In his petition dated the 12th December 1905, J.A.J. Tissevera Singh of Jaffna, late Student of the M.B. and C.M. class of the Madras Medical College, requested that such portion of the tuition fees/Rs.*105 paid by him on admission into the College as the Government might deem fit might be refunded to him, on the ground that he left the College shortly after admission owing to failing health due to change of climate and food and to other circumstances beyond his control. He stated that he addressed the Principal of the Medical College on the subject but that the latter declined to comply with his request. The D.P.I. to whom this petition was (@) referred for remarks submits extracts from the report received from the Principal of the Medical College on the subject. The Principal states that Tissevera Singh joined the Medical College at the beginning of the current Session, namely, 1st of July 1905, and left it on the 16th of August last in response to a telegram from Jaffna requiring his immediate return; that in his application for refund of College fee he based his request on "family circumstances and unsuitability of 'the climate of Madras"; that he was not on sick leave during the time he was at College; and that as the grounds put forward by him were considered to be unsatisfactory his request for refund was refused. The Director supports the Principal's action.

2. Under rule 10 of the rules relating to the M.B. & C.M. Section of the Madras Medical College, "if a pupil leave the College during the session, he shall have no right to claim a remission of any portion of the year's fee but the controlling authority may return or remit such portion as may be considered equitable." But as the Principal of the Medical College has reported that the grounds on which Tisseverasingha bases his request for refund of the College fee are considered unsatisfactory, there appears to be no reason for Govt. to interfere in the matter. For orders as to whether the petitioner may be informed accordingly.
