3. As to the short touring made during the year, the following note has been left by Mr. Cumming :—

> I was unable to tour very widely in the Agency during the past year. * * * . However in January, I toured in the Yellavaram division, and in March in Chódavaram division, and did jamabandi of both. No Agent seems to have been in the interior of Chódavaram for several years. I met several of the muttadars and discussed matters with them. They had no serious grievances. * * * . Some of the muttadars inquired if Local funds were collected by order of Government or only of the Deputy Tahsildar! I explained to them the object of Local funds and was surprised to find some of them asking for schools.

5. I was in charge of the district for about a month; and spent four days in the Agency, being in Rumpa at the end of the year. I interviewed all the muttadars near whose muttas I passed. They had no special complaints to make except bad crops. What is most wanted is better roads to bring them into closer touch with the

plains and the elements of education to enable them to protect themselves and improve their agriculture. In paragraph 3 of its order No. 1347, dated 7th September 1904, on last year's administration report, Government observed that the question of providing additional schools would be considered in the Educational Department.

11. *Education.*—The subjoined table shows the condition and progress of primary education during the past two years. It will be seen that in spite of the fact of there being some eight unaided schools closed owing to the adverse season during the year, the numbers on the rolls is well in excess of the last year's figures. The examination results are likewise satisfactory.

V

Letter—from the Hon'ble Mr. A. G. Bourne, D.Sc., F.R.S., Director of Public Instruction.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 28th February 1906.
No.—Ref. on Cur. No. 1026/3 of 1905.

With reference to the endorsement of Government, No. 649, dated 10th November 1905, I have the honour to state that on receipt of G.O., No. 1347, Judicial, dated 7th September 1904, communicated with endorsement No. 566, dated 14th October 1904, I called for a report from the inspecting officers on the question raised therein as to the necessity for additional schools in the Agency tracts of the Gódávari district. A copy of the letter of the Assistant Inspector of Schools, Gódávari-Kistna Division, Dis. No. 905, dated 20th December 1904, is enclosed herewith, from which it will be observed that the Bhadráchalam Taluk Board was doing all it could to open schools in places where they were really needed and that the Assistant Inspector promised to arrange for the establishment of Board schools if on inquiry it was found that the localities referred to by the muttadars in their interviews with the Government Agent required such schools. A further report was called for on the subject on receipt of the endorsement of the Educational Department, No. 649, dated 10th November last, and the enclosed is a copy of the Assistant Inspector's letter, Dis. No. 956-H., dated 18th December 1905. From this letter Government will observe that it is proposed to open rural schools in three places where school buildings are under construction, that two Board schools, one at Mysanagudem in the Polavaram division and the other at Velagapalli in the Chódavaram division, were started on 1st April and 8th July 1905, respectively, and that the Assistant Inspector proposes to seek the sanction of the Taluk Board, Polavaram, for the establishment of Board schools in villages in the Agency where provision for elementary education does not exist. I shall instruct the inspecting officers to formulate their proposals in the matter at an early date.

Letter—from M.R.Ry. M. Kameswara Rao Pantulu Garu, B.A., Assistant Inspector of Schools, Gódávari-Kistna Division.
To—the Inspector of Schools, Northern Circle.
Dated—the 20th December 1904.
No.—Dis. 905-H.

With reference to your endorsement No. 1187-Goi., dated 2nd December 1904, herewith returned, I have the honour to state that there were 51 Government schools on the last day of the official year 1901–1902 in the Gódávari Agency tracts into which the Local Fund Act was introduced in the following official year. The Taluk Board, Bhadráchalam, has been maintaining the same number of schools under its management, there having been no necessity for the opening of new schools and private enterprise in these parts slowly setting in to supplement them.

2. The following summary gives the particulars of these schools for the last three years :—

—	Government.	Aided.	Unaided or indigenous.
1901–1902—			
Bhadráchalam and Polavaram divisions	24	2	16
Yellavaram and Chódavaram divisions	27	..	3
Total ..	51	2	19
	Board.		
1902–1903—			
Bhadráchalam and Polavaram divisions	25	12	21
Yellavaram and Chódavaram divisions	26	2	6
Total ..	51	14	27
1903–1904—			
Bhadráchalam and Polavaram divisions	25	14	20
Yellavaram and Chódavaram divisions	26	2	19
Total ..	51	16	39

The number of Board schools remained stationary and there was a gradual increase in the number of aided and unaided schools which is chiefly due to the efforts of the subordinate inspecting officers in encouraging private bodies to start schools in the hope of getting liberal grants from public funds. Whenever there is a demand for the establishment of Board schools in places where private schools cannot be opened, the Taluk Board, Bhadráchalam, has been maintaining schools of its own though the funds at its disposal are very limited. In support of the foregoing statement I beg to submit that two schools have been sanctioned at Mysanagudem in Polavaram division and Velagapalli in the Chódavaram division with effect from 1st April 1905.

As for the remark made by the Agent in paragraph 3 of his report that he was surprised at finding some of the muttadars asking for schools, I beg to state that the villages to which these muttadars belong are not definitely known. Inquiries will, however, be made with regard to the localities where schools are needed and the Taluk Board will be addressed to find funds for the establishment of schools therein.

Letter—from M.R.Ry. M. Kameswara Rao Pantulu Garu, B.A., Assistant Inspector of Schools, Gódávari-Kistna Division.
To—the Inspector of Schools, Northern Circle.
Dated—the 18th December 1905.
No.—Dis. 956-H.

With reference to the endorsement No. 752-Goi., dated 30th November 1905, I have the honour to state that as a result of further inquiry into the educational needs of the Agency tracts, I have proposed the opening of rural schools in the marginally-noted villages and the construction of rural school buildings therein which has been sanctioned by the District Board, Gódávari.

Dondapudi, Polavaram division.
Sarabhavaram, Chódavaram division.
Vatangi, Yellavaram division.

2. I further beg to state that during the course of my tour in the Chódavaram and Yellavaram divisions in the last quarter of the last official year, I spoke to the several villagers I met and ascertained from them the educational requirements of their villages. I think that Board schools may be opened in the villages of Kondamodalu, Maredumilli, Barangi and Rumpa in the Chódavaram division and Yellavaram in the Yellavaram division.

Kondamodalu is at the foot of the Poppy Hills on the right bank of the Gódávari and is the seat of the proprietor of the place.

Maredumilli is situated in a place where the roads leading to Guzzumamidivalasa and Bodulur are separated. The then Deputy Tahsildar of Chódavaram also suggested the establishment of a school in this village in the course of my interview with him. Borangi is a village between Chódavaram and Musurumilli, and Rumpa is about two miles off Chódavaram and is situated on the other side of a living stream which separates the two villages.

Yellavaram lies between Timmapuram and Addatigala and Konalova and Addatigala, and all the villagers belong to a section of the Koya tribe.

At the conference to be held in the last week of the next month I shall draw up a list of the villages in which Board schools may be opened in the Agency tracts in consultation with the Sub-Assistant Inspector of Schools, Polavaram Range, and forward proposals to the President, Taluk Board, Polavaram, for the establishment of Board schools therein.

I visited the Bhadráchalam Agency in February 1904 and found that schools at Turamagiri and Jedikuppa might thrive there if opened.

As reported in this office letter, Dis. No. 905-H , dated 20th December 1904, the two Board schools sanctioned for Mysanagudem and Velagapalli were opened on 1st April and 8th July 1905, respectively. Their strength is given below :—

Their average attendance was 29 and 17 respectively.
