Abstract.—Submitting to the Government of India the views of this Government on their suggestion to raise the pay of the Vice-Principal, Teachers' College, Saidapet.

Despatch—from the Government of India, Finance Department (Salaries, Establishments, etc.—Education).
To—His Majesty's Secretary of State for India.
Dated—Calcutta, the 23rd November 1905.
No.—377.

In continuation of paragraph 3 of our despatch No. 301, dated the 7th September 1905, we have the honor to submit, for your favourable consideration, a proposal to raise the pay attached to the Vice-Principalship of the Teachers' College at Saidapet from Rs. 400—20—500 to Rs. 500—50—1,000.

2. The reasons which led us to suggest to the Government of Madras the advisability of raising the pay of the appointment to the ordinary scale of the Indian Educational Service are stated in paragraph 3 of our Home Department letter No. 561, dated the 19th August 1905, a copy of which accompanied our despatch referred to above. The Government of Madras in accepting our suggestion have represented, as an additional argument in favour of the higher rate of pay, the great practical inconvenience which is experienced owing to the difficulty of retaining for any length of time the services of an officer on the existing rate of pay.

Despatch—from His Majesty's Secretary of State for India.
To—His Excellency the Right Honourable the Governor-General of India in Council.
Dated—India Office, London, the 19th January 1906.
No.—7, Public.

Pay of the Vice-Principal of the Teachers' College at Saidapet.

I have considered in Council the letter of Your Excellency's Government in the Finance Department, No. 377, dated the 23rd November last, regarding the pay attached to the Vice-Principalship of the Teachers' College at Saidapet.

2. I concur in your opinion as to the inadequacy of the present rate of pay, but I am inclined to think that it would be preferable to attach to the appointment the scale of salary applicable to headmasters of High schools in the Indian Educational Service, rather than the higher scale to which Inspectors and Professors are entitled. Like headmasters, the incumbent of the Vice-Principalship would, of course, be eligible for promotion to the other branch of the service.

3. I am willing, therefore, to sanction a salary of Rs. 500—50—750 for the post, and will take steps without delay for the selection and appointment of a successor to Mr. Braithwaite.

NOTES CONNECTED WITH G.O., No. 171, EDUCATIONAL, DATED 12TH MARCH 1906.

[SUBJECT.—*Increase of the pay attached to the Vice-Principalship of the Teachers' College, Saidapet, from Rs.* 400—20—500 *to Rs.* 500—50—750.]

From the Government of India, Home Department, dated 23*rd February* 1906, *No.* 110.

G.O., Nos. 620, 621, Educational, dated 13th September 1905, pages 2 and 3.

In paragraph 3 of their letter, No. 561, dated the 19th August 1905, the Government of India suggested the advisability of placing the pay of the Vice-Principal of the Teachers' College on a footing of equality with that of the other members of the Indian Educational Service, so that candidates should commence on the initial pay ordinarily attached to appointments in that service, viz., Rs. 500 and should have before them on recruitment the prospect of rising to the ordinary maximum of Rs. 1,000 a month. The Government of Madras accepted this suggestion and informed the Government of India accordingly—*vide* letter, No. 621, Educational, dated 13th September 1905. The Government of India thereupon addressed the Secretary of State on the subject,—concluding portion of their letter, No. 749, dated 4th December 1905, on page 2 of G.O., No. 825, dated 15th December 1905—and the orders of the latter are contained in his Despatch, No. 7 (Public), dated 19th January 1906. While concurring in the opinion of the Government of India as to the inadequacy of the present rate of pay, the Secretary of State is inclined to think that it would be preferable to attach to the appointment the scale of salary applicable to Headmasters of High Schools in the Indian Educational Service rather than the higher scale to which Inspectors of Schools and Professors of Colleges are entitled, the incumbent of the Vice-Principalship like headmasters being of course eligible for promotion to the other branch of the service. The Secretary of State therefore sanctions a salary of Rs. 500—50—750 for the post of the Vice-Principal of the Teachers' College at Saidapet. Submitted that the Secretary of State's final decision may be communicated to the Director of Public Instruction. A draft is placed below for approval. Nothing is said in the present draft as to the selection of a successor to Mr. Braithwaite, as in paragraph 2 of G.O., No. 825, Educational, dated 15th December 1905, the Director was already informed that a successor would be selected soon.

N.L.R.—3-3-06.

There are at present no Headmasters of High Schools in the Indian Educational Service (Madras) in the grade of Rs. 500—50—750 but in Bombay there are three—*vide* page 188 of the Selections from records put up.

Article 292 of the Civil Account Code.

2. The increase in the salary of the Vice-Principal takes effect from the 4th February 1906 on which date the Secretary of State's despatch was received by the Government of India, but Mr. Braithwaite permanently vacated it from the 13th of November 1905—page 17 of Part I-B of the *Fort St. George Gazette*, dated 9th January 1906—and the new Vice-Principal will draw pay only from the date of his joining—article 52 of the Civil Service Regulations. Meanwhile a Provincial Service officer is acting—page 199 of the Quarterly Civil List corrected up to 1st January 1906.

The Secretary of State's disposal will not get over our difficulty as the new Vice-Principal will not be interchangeable with other members of the Indian Educational Service in this Presidency. The draft may issue?

Draft approved.

The post will thus apparently be a special appointment with special pay.
