Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 1st March 1906.
No.—Ref. on C. No. 7839 of 1904.

With reference to Memorandum No. 92, Educational, dated 26th February 1906, I have the honour to submit a copy of letter from the Government Solicitor No. 1111, dated 6th December 1905, forwarding the draft notifications in respect of the Price Memorial and the Kannuswami prizes.

ENCLOSURE.

Letter—from SUTHERLAND ORR, Esq., Government Solicitor, Madras.
To—the Director of Public Instruction.
Dated—the 6th December 1905.
No.—1111.

I have the honour to acknowledge the receipt of your letter of the 28th ultimo, R.C. No. 7839 of 1904 which with its enclosures reached me on the 3rd instant.

2. I now forward for approval drafts of two separate notifications in respect of the Price Memorial prizes and the Kannuswami prize.

3. In the schedules to both the notifications the years of the loans of the Government securities should be filled in.

4. I note that in the Price Memorial Prizes the prizes are to be awarded annually on the recommendation of the Council of the Madras Medical College and I have ventured to alter the wording as regards the prizes so as to keep the two competitive examinations as distinct as possible.

5. But there is no such provision as regards such Council as regards Kannuswami prizes in the new rules and as under the old rules the Kannuswami prize was awarded on the recommendation of the College Council I presume that a similar course is intended and have entered such provision in clause 2 of the new scheme. If this is not intended the necessary alterations must be made in the scheme.

6. It will be seen that in both the cases it is only the interest of the funds that are available for the prizes.

7. I also notice that in the new rules as to Kannuswami prize no provision is made that the students competing must have carried on their regular course of studies as was done in the old rules but as to this I have made no alteration as the omission may perhaps have been intentional.

8. A formal joint application from the Director of Public Instruction and the Principal of the Medical College under section 6, sub-section 1 (*a*) of the Charitable Endowments Act, 1890, for the variation of the present rules as regards the prizes if not already sent in to Government, should be forwarded with the drafts of the notifications.

Order—No. 172, Educational, dated 12th March 1906.

The following Notification will be published in the *Fort St. George Gazette*:—

Copy of a letter from the Government Solicitor, Madras, to the Director of Public Instruction, No. 1111, dated 6th December 1905.

I have the honour to acknowledge the receipt of your letter of the 28th Ultimo R.C.No. 7839/04 which with its enclosures reached me on the 3rd instant.

2. I now forward for approval drafts of two separate notifications in respect of the Pri~~z~~ce Memorial prizes and the Kannuswami prize.

3. In the schedules to both the notifications the years of the loans of the Government Securities should be filled in.

4. I note that in the Price Memorial prizes the prizes are to be awarded annually on the recommendation of the Council of the Madras Medical College and I have ventured to alter the wording as regards the prizes so as to keep the two competitive examinations as distinct as possible.

5. But there is no such provision as regards such Council as regards Kannuswami prizes in the new rules and as under the old rules the Kannuswami prize was awarded on the recommendation of the College Council I presume that a similar course is intended and have entered such provision in Clause 2 of the new scheme. If this is not intended the necessary alterations must be made in the scheme.

6. It will be seen that in both the cases it is only the interest of the Funds that are available for the prizes.

7. I also notice that in the new rules as to Kannuswami prize no provision is made that the students competing must have carried on their regular course of studies as was done in the old rules but as to this I have made no alteration as the omission may perhaps have been intentional.

8. A formal joint application from the Director of Public

instruction and the Principal of the Medical College under section 6 sub section 1 (a) of the Charitable Endowments Act 1890 for the variation of the present rules as regards the prizes if not already sent in to Government, should be forwarded with the drafts of the notifications.
