ABSTRACT.—Approving the draft notification vesting the Tanjore Jubilee Fund in the Treasurer of Charitable Endowments as modified by G.O., No. 122, Educational, dated 28th February 1899, and directing its publication in the *Fort St. George Gazette*.

Letter—from L. DAVIDSON, Esq., I.C.S., Acting Collector, Tanjore.

To—the Secretary to Government, Educational Department (through the Director of Public Instruction, Madras).

Dated—the 23rd December 1905.

No.—R.C. 3376-G.R.

In submitting copies of resolutions, dated respectively 20th April 1905 (No. 3) and 4th August 1905 (Nos. 1 (c) and 6) passed by the General Committee of the Kumbakonam Students' Hostel, I have the honour to recommend that, if there is no objection, effect may be given thereto by the amendment of paragraph 1 of the scheme of management approved in G.O., No. 304, Educational, dated 30th May 1899. The changes necessary are the insertion of (a) the words "under the designation of the Victoria Jubilee Hostel" after the word "Madras" and (b) the words "or studying in the sixth form of a Kumbakonam High school" after the words "Kumbakonam College".

2. The first amendment is designed to perpetuate the memory of the fact that the public subscriptions, out of which, with the aid of Government grants, the hostel buildings have been constructed, were collected with a view to commemorate the Jubilee of Her Majesty the late Queen-Empress.

3. The second amendment is intended to secure ampler use of the existing accommodation, which experience proves to be considerably in excess of the present requirements of the college students. Of the 65 rooms available only some 40 have yet been utilized, and there is no immediate prospect of any expansion in the number of the college students living in the hostel. The consequence is that the individual expenses are higher than they otherwise would be, and useful accommodation is wasted. The amendment proposed is in harmony with the wishes of the original subscribers as may be seen by a reference to the first of the resolutions passed by the Jubilee Committee at a meeting held on the 2nd October 1897, which runs as follows:—

"That the Jubilee Fund be utilised in establishing and maintaining a students' hostel at Kumbakonam for the use of all classes of students, especially those studying in the Kumbakonam College, instead of being utilised in establishing and maintaining a model farm and technical classes."

4. The ideal case in view is that of two brothers, one at the college and one in the adjacent High school, who might both be housed in the hostel, whereas under existing conditions the younger is now compelled to live in some ill-equipped and badly managed boarding institution in the town. It is of course impossible to admit young boys into the hostel, but there should, in general, be no marked difference in age between the junior college students and sixth form boys, and a further safeguard can be created by making it incumbent on the warden to record specific permission in each case after personally satisfying himself as to the fitness of the candidate for admission into the hostel.

5. I took the opportunity of being in camp at Kumbakonam to convene a meeting of the General Committee on the 22nd instant and to examine the financial position of the hostel. The informal investigation then made showed that in the desire to advertise the institution in its initial stage the Committee had departed from the sound financial principle of so regulating the charges as to cover all costs other than the maintenance of the buildings. Personally I was and am of opinion that the expenditure on food has been unnecessarily lavish, but if the students can afford a luxurious diet, there is no reason why they should not enjoy it. The boarding charges must however cover all recurring expenses and this they have hitherto not done. A resolution was passed resolving in future to adhere to the financial principle above mentioned, and it is therefore unnecessary for the present to expatiate further on a matter which will be dealt with in the annual report due to Government in pursuance of paragraph 8 of the scheme of management.

ENCLOSURES.

Proceedings of the General Committee, Kumbakonam College Hostel, dated 20th April 1905.

M.R.Ry. N. Krishnaswami Aiyangar proposes in case accommodation is available, students of the sixth form in High schools in Kumbakonam may be admitted to the hostel and a reference may be made to Government for the necessary modification of paragraph 1 of the notification in *Fort St. George Gazette*, dated 6th June 1899.

Seconded by M.R.Ry. K. Renganatha Row Avargal.

Resolution No. 3.—Carried.

Proceedings of the General Committee, Kumbakonam College Hostel, dated 4th August 1905.

Read Collector's letter, R.C. No. 1782-G.R., dated 6th May 1905, requesting to defer taking action on the proposal contained in resolution No. 3 of the above proceedings to move Government to declare the hostel open to students of High schools also.

Resolution No. 1 (c).—Resolved that a reference be made now to Government as originally proposed as spare accommodation is actually available.

Note, dated 21st July 1905, of the Superintendent suggesting that the hostel may be designated "The Victoria Jubilee Hostel" as announced by the Chairman on the opening day instead of "Kumbakonam College Hostel".

Resolution No. 6.—Approved. Government will be addressed.

Ref. on Cur. No. 10400/05, dated 22nd February 1906.

Submitted to Government, Educational Department.

I do not approve of either proposal.

I do not think that school boys should be admitted especially in view of the attempts now being made to differentiate more sharply between schools and colleges.

I think that a hostel should be confined to a single institution and be considered and treated as the residential part of such institution and not as a sort of lodging house open to comers from various sources. I consider that a great mistake has been made at Chepauk in this respect.

This should remain the Kumbakonam College Hostel and should really be part and parcel of the college.

A. G. BOURNE,
Director of Public Instruction.

Order—No. 178, Educational, dated 12th March 1906.

The Government accept the recommendation of the Committee of the Kumbakónam Students' Hostel that the designation of the hostel be changed into the "Victoria Jubilee Hostel" but agree with the Director of Public Instruction that it is inadvisable to make provision for the admission into the hostel of students reading in the sixth form of any High school in the town.

2. The scheme of management approved in G.O., No. 304, Educational, dated 30th May 1899, will be amended and the following notification published in the *Fort St. George Gazette*:—

NOTIFICATION.

Under sub-section (2) of section 5 of the Charitable Endowments Act, 1890, the Local Government direct the insertion of the words "under the designation of the Victoria Jubilee Hostel" between the words "the Presidency of Madras" and the words "for all classes of students" in paragraph 1 of the scheme for the management of the Kumbakónam Students' Hostel settled in the second schedule to the notification No. 37, dated 30th May 1899, published at pages 301—303 of Part I-B of the *Fort St. George Gazette*, dated 6th June 1899.

EDUCATIONAL DEPARTMENT.**NOTES CONNECTED WITH G.O., No. 178, EDUCATIONAL, DATED 12TH MARCH 1906.**

[SUBJECT.—*Amendment of the scheme for the management of the Kumbakónam College hostel approved in G.O., No. 304, Educational, dated 30th May 1899.*]

From the Collector of Tanjore, dated 23rd December 1905, No. 3376.

From the Director of Public Instruction, dated 22nd February 1906, No. 10400.

Paragraph 1 of the scheme for the management of the Kumbakónam College hostel printed on page 10 of G.O., No. 304, Educational, dated 30th May 1899, runs as follows:—

The said Treasurer of Charitable Endowments do and shall permit the Committee (of the Kumbakónam College hostel) to be constituted as hereinafter provided to receive and to use and apply the interest and income to arise from and be produced by the Government securities specified in the first schedule above written and of any other securities for the time being vested in the said Treasurer of Charitable Endowments under these presents and also the said sums of Rs. 3,545-3-4 or Rs. 6,434-6-3 and also if need be, the moneys to arise from the sale of all or any of the said Government securities or such and so much of such several moneys as shall be necessary for the erection, construction, maintenance, upkeep and preparation or enlargement of a students' hostel to be established at Kumbakónam in the district of Tanjore in the Presidency of Madras for all classes of students in connection with the Kumbakónam College and the buildings to be attached to such hostel and payment of the staff and establishment thereof and on other expenditure connected with the objects of the said hostel from time to time sanctioned by such Committee.

The Collector of Tanjore now forwards copies of resolutions, dated 20th April and 4th August 1905, passed by the General Committee of the Kumbakónam College hostel in which the following amendments to paragraph 1 of the scheme of management quoted above are recommended:—

(1) The insertion of the words "under the designation of the Victoria Jubilee hostel" after the word "Madras," and

(2) The insertion of the words "or studying in the sixth form of a Kumbakónam High school" after the words "Kumbakónam College."

[The exact place where these amendments are to come in is indicated above within brackets.]

2. The reason given for the first amendment is that it is designed to perpetuate the memory of the fact that the public subscriptions, out of which, with the aid of Government grants, the hostel buildings have been constructed, were collected with a view to commemorate the Jubilee of Her Majesty the late Queen Empress. The second amendment is, it is stated, intended to secure ampler use of the existing accommodation which experience proves to be considerably in excess of the present requirements of the college students.

There are 65 rooms, of which only 40 have been utilized as yet.

The above amendments are supported by the Collector of Tanjore also.

3. The Director of Public Instruction through whom the Collector's letter is forwarded does not approve of either proposal. He thinks that school boys should not be admitted into the College hostel especially in view of the attempts now being made to differentiate more sharply between schools and colleges. He also thinks that a hostel should be confined to a single institution and be considered and treated as the residential part of such institution and not as a sort of lodging house open to comers from various sources.

N.L.R.—2-3-06.

It is proposed to amend the scheme of management of the Kumbakónam College hostel settled in the notification issued under G.O., No. 304, Educational, dated 30th May 1899, in two respects, namely—

(1) By giving a specific designation to the hostel, of "the Victoria Jubilee hostel".

(2) By providing for the admission into the hostel of sixth form students from any High school in the town.

2. As regards (1)—regarding designation—the scheme at present only speaks of "a students' hostel to be established at Kumbakónam in the district of Tanjore in the Presidency of Madras for all classes of students in connection with the Kumbakónam College". The hostel is therefore now generally known as the Kumbakónam College hostel. It is submitted that there is nothing to prevent its being designated "the Victoria Jubilee hostel" without altering the scheme of management. The alteration will however give the institution an authoritative name.

The Director's objection to the proposed designation is that the hostel may thereby lose its special connection with the Kumbakónam College. It is submitted that this need not necessarily be so. It may be "the Victoria Jubilee hostel" and yet may not be open to any students other than those of the Kumbakónam College.

H. D. TAYLOR.

3. As regards (2)—admission of outside students—the Director's contention is (1) that *school* boys should not be admitted into a *college* hostel as school and college should be kept quite distinct and (2) that a hostel should be confined to a single institution and be considered and treated as its residential part.

Submitted that this contention is right in principle but as the Collector says—paragraph 4 of his letter—an exception may perhaps be made at times when, for instance, there are two brothers of whom one is in the College and the other in the High school. In such cases it will be rather hard if the two have to live apart. The Collector, however, suggests that, in order to prevent young boys from being admitted, a "safe-guard may be created by making it incumbent on the Superintendent to record specific permission in each case after personally satisfying himself as to the fitness of the candidate for admission into the hostel". If properly done, this should be sufficient.

H.D.T.—5-3-06.

4. In the Victoria students' hostel at Chepauk, there is *provision* for the admission of "pupils in Madras High schools"—not in the sixth form alone—and from all institutions in Madras—*vide* papers printed with G.O., No. 617, Educational, dated 3rd October 1896.

5. The application for alteration of the scheme of management is made under section 5 (2) of the Charitable Endowments Act, 1890. Under this section "the local Government may, if it thinks fit, modify any scheme" already once settled. It is not therefore obligatory on the part of Government to accept the proposal of the Committee of the Kumbakónam College hostel.

6. Under section 6 (1) (a) of the Act, the application has to be made "by the person acting in the administration of the trust or where there are more persons than one so acting, then by those persons or a majority of them".

The persons acting in the administration of the trust in the present case are the members of the Committee appointed by paragraph 2 of the scheme on pages 10 and 11 of G.O., No. 304, Educational, dated 30th May 1899. The present application is from the Collector who is one of the members of this Committee but it does not purport to be signed by him as such. Copy of the Committee's resolutions are forwarded but they are not attested by the Collector as member of the Committee or as Chairman of the meeting at which they were passed.

P. T. THARYAN—3-3-06.

I submit that the Director of Public Instruction's view may be accepted.

C. A. SOUTER—3-3-06.

I see no great objection to the change in designation, which serves to mark the occasion which gave rise to the construction of the hostel.

None.

G. S. F[ORRES].

As to admission of students the Director of Public Instruction gives sound reasons in support of his view which may be accepted.

I agree with Mr. Taylor.

Amendment of the ^{Scheme} ~~Scheme~~ for the management
of the Kumbakonam College hostel approved in

Paragraph 1 of the Scheme for the manage-
ment of the Kumbakonam College hostel printed on page 10
of G.O. no. 304 Educational, dated 30th May 1899, runs as
follows:—

" The said Treasurer of Charitable Endowments do
" and shall permit the Committee (of the Kumbakonam
" College hostel) to be constituted as hereinafter provided
" to receive and to use and apply the interest and income
" to arise from and be produced by the Government Securities
" specified in the first Schedule above written and of any
" other Securities for the time being vested in the said
" Treasurer of Charitable Endowments under these presents

"of the Staff and establishment thereof and on other
"expenditures connected with the objects of the said hostel
"from time to time sanctioned by such Committee."

The Collector of Tanjore now forwards copies of
resolutions dated 20th April and 4th August 1905
passed by the General Committee of the Kumbakonam College
hostel in which the following amendments to para. 1 of
the Scheme of Management quoted above are recommended:-

(1) The insertion of the words "under the designation
"of the Victoria Jubilee hostel" after the word "Kadras";
and

(2) The insertion of the words "or Studying in the
"Sixth form of a Kumbakonam High School" after the
words "Kumbakonam College".

[The exact place where these amendments
are to come in is indicated on page 1 supra]

2. The reason given for the first amendment is
that it is designed to perpetuate the memory of the fact
that the public Subscriptions, out of which, with the
aid of Government grants, the hostel buildings have
been constructed, were collected with a view to commem-
orate the Jubilee of Her Majesty the late Queen
Empress. The second amendment is, it is stated,
intended to secure ampler use of the existing accommoda-
tion which experience proves to be considerably in
excess of the present requirements of the College Students.
There are 65 rooms of which only 40 have been utilized as yet.

The above amendments are supported by the
Collector of Tanjore also.

is forwarded does not approve of either proposal. He thinks that school boys should not be admitted into the College hostel especially in view of the attempts now being made to differentiate more sharply between schools & colleges. He also thinks that a hostel should be confined to a single institution and be considered & treated as the residential part of such institution and not as a sort of lodging house open to comers from various sources.

Submitted for orders.

2/3/96

It is proposed to amend the Scheme of Management of the Kumbakonam ~~College~~ hostel settled in the notification issued under G.O. No 3016 Rd of 30th May 1899, in two aspects - namely -

- (1) By giving a specific designation to the hostel, of "the Victoria Jubilee hostel"
- (2) By providing for the admission into the hostel of Sixth Form students - from any high school in the town.

2. As regards (1) - regarding designation - the Scheme at present only speaks of a students hostel to be established at Kumbakonam in the district of Tanjore in the Presidency of Madras for the classes of students in connection with the Kumbakonam College.

The hostel is therefore generally known as the Kumbakonam College hostel. It is submitted that there is nothing to prevent its being designated "the Victoria Jubilee hostel" without altering the Scheme of Management. The alteration will however give the institution an authoritative name.

The Director's objection to the proposed designation is that the hostel may thereby ~~lose~~ lose its special connection with the Kumbakonam ^(College). It is submitted that this need not necessarily be so. It may be "the Victoria Jubilee hostel"

It is also seen from the B.O.D. argument as to objection to change in designation. The hostel was constituted out of funds raised & connected with the Victoria Jubilee.

and yet may not be open to any students other than those of the Kumbakonam College.

3. As regards (2)-admission of outside students - the Director's contention is (1) that school boys should not be admitted into a college hostel as school & college should be kept quite distinct and (2) that a hostel should be confined to a single institution and be considered and treated as its residential part.

Submitted that this contention is right in principle but as the Collector says para.4 of his letter - page 3 of current- an exception may perhaps be made at times when, for instance, there are two brothers of whom one is in the college and the other in the high school. In such cases it will be rather hard if the two ~~have~~ live apart. The Collector however suggests that in order to prevent young boys from being admitted, a "safeguard may be created by making it incumbent on the Superintendent to record specific permission in each case after personally satisfying himself as to the fitness of the candidate for admission into the hostel". *If properly done, this should be sufficient.*

4. In the Victoria students' hostel at Chepauk there is provision for the admission of "pupils in Madras High schools"-not in the 6th Form alone-and from all institutions in Madras - page 11 of G.O.No.617 Edl. d/ 3rd October 1896.

5. The application ^{*(for alteration of the Scheme of Management)*} is made under section 5(2) of the Charitable Endowments Act, 1890. Under this section "the Local Govt. may, if it thinks fit, modify any scheme already once settled. It is not therefore obligatory on the part of Govt. to accept the proposal of the Committee of the Kumbakonam College hostel."

6. Under section 6(1) (a) ^{*of the Act,*} the application has to be made

made" by the person acting in the administration of the trust or where there are more persons than one so acting, then by those persons or a majority of them".

The persons acting in the administration of the trust in the present case are the members of the committee appointed by para.2 of the scheme on pages 10 & 11 of G.O.No.304 Edl. d/ 30th May 1899. The present application is from the Collector who is one of the members of this committee but it does not purport to be signed by him as such. Copy of the Committee's resolutions are forwarded but they are not attested by the Collector as member of the committee or as Chairman of the meeting at which they were passed.

I see no great objection to the charge in designation, which serves to mark the occasion which gave rise to the construction of the Hotel.

As to admission of students the D.P. gives sound reasons in support of his view which may be accepted
