Honoured Sir,

Re no 46/06 X
23-1-06

In accordance with the notification published in Fort St. George Gazette dated 23rd Jan'y 1906.

I most humbly request your honour to be good enough to allow me to receive the benefit of the State Technical Scholarship.

I am a Matriculate of the Madras -- University, and I am in my 24th year, and young enough to receive education in foreign countries. The technical knowledge that a candidate should display in India, or have an aptitude for, should have been acknowledged in India, before he goes to foreign countries, to improve the same on an extended scale. This restriction is possible only with regard to weaving and other indigenous industries. In the case of Chemical Industries, the acquirement of such a knowledge is found impossible in India. And as I intend to study Industrial Chemistry in foreign universities, the Government of Madras may be good and generous enough to extend the benefit of the scholarship to this impoverished applicant.

I beg to submit that if my candidature is approved of, I shall submit my petition through my Departmental Superior.

I beg to remain,

Honoured Sir,

Your most obedient servant,

M. Nagesvara
