GOVERNMENT OF MADRAS.

Letter—from the Hon'ble Mr. A. G. Bourne, D.Sc., F.R.S., Director of Public Instruction.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 28th February 1906.
No.—R.C. 3603 of 1905.

The Inspector of European and Training Schools has in consultation with Mr. Steele proposed that the school year for Breeks' school, Ootacamund, should extend from March to February, with a short break of a week at the end of each quarter and a long vacation of $2\frac{1}{2}$ months from December 15th to end of February. The two terms in this case may be regarded as extending from 1st March to 8th September and from 15th September to 15th December. I have the honour to recommend that this arrangement be sanctioned. I may add that the period fixed for the long vacation is for obvious reasons the most convenient for a hill school. The Easter and Michaelmas holidays may be limited to one or two days.

Order—No. 203, Educational, dated 19th March 1906.

The Director's proposal is approved subject to the modifications that there will be a long vacation of only two months from the 15th of December and that the break at the end of each quarter will be for ten days.

[Subject.—*Extension of the school year for Breeks' Memorial school, Ootacamund, from March to February with a short break of a week at the end of each quarter and a long vacation of $2\frac{1}{2}$ months from December 15th to the end of February.*]

From the Director of Public Instruction, dated 28th February 1905, *No.* 3603.

The Director recommends for sanction the proposal made by the Inspector of European and Training schools that the school year for the Breeks' Memorial school, Ootacamund, should extend from March of one year to February of the next, with a short break of a week at the end of each quarter and a long vacation of $2\frac{1}{2}$ months from the 15th of December to the end of the following February. The effect of this proposal is that the first term of the school will extend from the 1st of March to the 8th of September and the second term from the 15th of September to the 15th of December. For orders as to whether the Director's recommendation may be accepted.

Perhaps two months' vacation would be enough. It seems preferable to have it in the cold weather, as the boys can get down to the plains if necessary.

C. A. Souter—7-3-06.

The proposed Christmas vacation seems very long and I would reduce it to two months. There is only a week's interval between the two terms, and I would increase this to 15 days.

H. D. Taylor—8-3-06.

What was the old vacation scale ; and what are the vacations in other schools ?

G. S. F[orbes]—9-3-06.

Please see page 7 of G.O., No. 227, Educational, dated 8th April 1905. The Summer holidays hitherto extended from about the 18th of June to the 25th of July —a little over five weeks—and the Christmas holidays from about the 15th of December to the 20th of January—a little over five weeks. There was also a week's break at Easter and another week's at Michaelmas.

2. The Breeks' Memorial school was a Lower Secondary school. Under No. 62 of the Educational Rules, the vacation in Lower Secondary schools is for a month during Midsummer and about three weeks during Christmas. Besides this there is six days' leave during Easter but none during Michaelmas.

P. T. Tharyan—12-3-06.

Please see on page 16 of the rules.

Breeks' is a Lower Secondary school, but it may not be improbable that it will attain Upper Secondary status.

I think the Winter vacation may be two months and ten days between each quarter.
