To

The Secretary to the Government of Madras,
Educational Department.

Respected Sir,

Having come to understand that students who are willing to go to England to have a scientific knowledge in tanning on government scholarships I beg to offer myself as a candidate for the same.

I am at present studying in the Maa-triculation class and possess a fair knowledge in English to follow the course of instructions that may be given in England. I further beg to state that I have a strong attachment for studying Technical subjects especially tanning in which I have got some experience. I have also devoted much of my time in studying practical chemistry.

I therefore humbly you to inform me at your earliest convenience if I am selected or not.

If I succeed in my attempt I shall be ever praying for your long and prosperous life.

I beg to remain,
Respected Sir,

Your most obedient Student,
V. R. Palaniandy,
