CURRENT No. 458

From

M. Iyetharanyam,

3, Seshachala mudali Street,

Saidapet.

To

The Secretary to Government of Madras,
Educational Department.

Honoured Sir,

I beg to state that I have studied for B. A. of the Madras University Science branch being Mathematics and have now been undergoing training in the Madras College of Agriculture in Agriculture, general Chemistry and other allied subjects. I have a strong liking for a scientific study of the Technical subjects and thus make myself useful to the people of India.

The government promise to help a student in prosecuting his studies in tanning and Industrial Chemistry in Europe and I offer myself as a candidate for being sent to England or any country to study tanning. Further I request your honour to be good enough to inform me at your earliest convenience if I shall be selected as one of the candidates to be sent to England.

If I be selected I shall submit the formal application through the proper channel with the necessary certificates attached.

I beg to remain,

C. No. 458 From the M. Swetharanyam, Saidapet No. 3, dated 16-3-1906.

SUBJECT.
Application for a State Technical Scholarship.

Submitted for orders.

MS
17/3/6

It does not appear that there is much difference between this applicant and the others who have been coming up to Govt. plate. He has had no training in the subjects in which he wants the scholarship.

MS

Sec.

I am afraid the public have not quite grasped the conditions necessary to hold these scholarships. There is not a single applicant (except the Travancore man) who has participated in educational & industrial training. This application may be rejected.
