M a d r a s.

Sir,

In forwarding herewith, as permitted in your Memo. dated 9th December 1905, the approved plan and estimate for the proposed extension of the building occupied by the Madanapalle High School I have the honour to state that the building belongs to Government and is leased out under a registered deed for twenty years from 1895 and that it having been found insufficient for the High School, was proposed to be extended. The plan and estimate were duly got prepared and submitted and the Government were also pleased to sanction one-third grant of Rs. 1253 in their order No. 591 dated 21st September 1898. For want of funds the work was not taken up by the then manager, and now an effort has been made to raise funds for the purpose as well as for endowing the institution. I have raised about Rs. 4700 of which a sum of Rs. 1350 has been collected, and I hope to get at least the balance needed for the proposed extension in a short time, as the outbreak of plague and its after effects prevented me from putting forth the necessary amount of energy in the direction. As the money now available is sufficient to start the work, and push it through I request that the formal renewal of the Government sanction may be obtained at a very early date and that the old plan and estimate may be approved and

returned to me for execution of the work.

I further beg to bring to your notice that the change in the description of the two items from "Burnt stone 2nd sort in mud for foundation" and "burnt stone 1st sort in mud for base-ment and superstructure" mentioned in the abstract estimate to those of burnt stone in mortar in both the cases will bring the estimate in harmony with the altered schedule of rates now in force.

I request that you will be graciously pleased to obtain a very early sanction for the proposed ^{extension} ~~sanction~~ so that I may be enabled to put forth greater energy and collect more funds speedily and thus encourage me in my unstinted labours in the field of education for the past eighteen years.

I have the honour to be,

Sir,

Your most obedient servant,

(Sd.) R. Giri Rau,

M a n a g e r.

Submitted to Government, Educational, and recommended that, in the circumstances stated by the Manager, the grant of Rs. 1253 sanctioned in G.O. No. 591, Educational, dated 21st September 1898 may be renewed on condition that no compensation will be paid to the manager if the building is resumed for Government purposes.

The manager has collected only sufficient
money to start the work. We cannot be sure when the
balance will be collected & when the work will be
completed. unless the work is completed no grant will
be payable. Instead therefore of renewing the sanction
now and allowing it to lapse again would it not be
better to wait till the building approaches completion
& till the sanction accordingly?

Permitted that the Manager should collect
sufficient fund before he start the
work. As it is he has collected only
R1310 out of R4700 promised. There
is no guarantee that he will collect
the balance & Govt. do not want to
promise a grant for an incomplete
work. The Manager has better put forth
greater energy in collecting subscriptions at once.
