EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 23rd March 1906.
No.—Ref. on Cur. No. 1968.

The village of Kairtam in the Narsapur taluk of the Kistna district is one of the places in which a rural school building is in course of construction. The execution of the work was entrusted to the villagers and a sum of Rs. 400 sanctioned for it. They commenced operations upon a more extensive scale, and when in January last I visited the place the inhabitants represented to me that they had already spent about Rs. 600—the walls only had then been raised—and requested that a further allotment of Rs. 500 may be sanctioned. I am of opinion that the request is fair and recommend that, if the Government can place at the disposal of the President of the District Board concerned a further grant of Rs. 500, he may be instructed to pay that amount on account of this building if he is satisfied that it is worth at least a thousand rupees. It is expected to cost altogether Rs. 1,200, of which the villagers will have given Rs. 300. Such cases are likely to be very rare and should be encouraged. The building is expected to be completed by the end of the month, so that the Rs. 500 could be paid during the current year.

Order—No. 235, Educational, dated 30th March 1906.

The Director is requested to renew his application next year for the required allotment of funds.

NOTES CONNECTED WITH G.O., No. 235, EDUCATIONAL, DATED 30TH MARCH 1906.

[SUBJECT.—*Application for an additional allotment of Rs. 500 for the construction of a rural school building at Kairtam in the Narasapur Taluk, Kistna District.*]

From the Director of Public Instruction, dated 23rd March 1906, No. 1968.

In his current letter No. 1968, dated 23rd March 1906, the Director of Public Instruction requests sanction for an additional allotment of Rs. 500 required for the construction of a rural school at Kairtam in the Narsapur taluk of the Kistna district. He states that the execution of this work was entrusted to the villagers, that a sum of Rs. 400 was sanctioned for it, but that as the inhabitants commenced operations on an extensive scale they requested him in person for a further allotment of Rs. 500. Dr. Bourne considers that this request is fair and says that the additional sum may be placed at the disposal of the President of the District Board who may be instructed to pay on his being satisfied that the building is worth at least Rs. 1,000.

2. Dr. Bourne further says that the building is expected to cost Rs. 1,200, of which the villagers will have given Rs. 300, that such cases which are likely to be very rare should be encouraged and that the building is expected to be completed by the end of this month, so that the sum of Rs. 500 could be paid during the current year.

Vide notes in G.O., No. 139, Educational, dated 3rd March 1906.

3 Out of the special grant of 6 lakhs made in the current year for the construction of primary school buildings, a sum of Rs. 35,600 was allotted for the Kistna district and it is expected that the whole of this amount will be spent within the year. The balance that would remain unspent out of the 6 lakhs grant was however estimated at Rs. 35,673, but of this sum, Rs. 34,000 have already been re-appropriated for payment of subsidy to District Boards and for transfer to North Arcot. There is thus a balance of Rs. 1,673 available for re-appropriation. Moreover the District Boards of Tanjore and Madura have since reported that Rs. 3,600 and Rs. 1,000 respectively are available for re-appropriation out of the grants sanctioned to them. It is therefore submitted that the additional allotment of Rs. 500 now required by the Director can be easily found and it is for consideration whether the Director's recommendation may be sanctioned, with the concurrence of the Financial Department.

It may have been since spent. We do not know.
H. D. TAYLOR.

P. RANGANATHA AIYAR—28-3-06.

The only doubt is whether there is sufficient time for the amount being placed at the disposal of the President, District Board, Kistna, on or before the 31st instant. If not, the allotment may be sanctioned from the next year's grant.

P. T. THARYAN—28-3-06.

This is a case in which the villagers have taken a considerable personal interest in the school and Mr. Parsons's policy has been uniformly to encourage this interest. If telegraphic orders are issued there may still be time to sanction if Financial agrees.

We cannot accept surrenders or reallot at this late date. The work must be met from next year's grant.
