A.T.MACKENZIE, Esquire,

Superintending Engineer on Special Duty,

Tungabhadra Project - Madras.

Sir,

I am sorry to state that I have failed in the Precise writing test for which I had appeared and as under the examination rules I am precluded from appearing for this test ^{again} ~~this~~ year, I beg respectfully to request that you will kindly recommend me through the Chief Engineer for Irrigation for an exemption from passing this examination in consideration of my service of 15 years in the Public Works Department.

At present without this exemption I shall not be eligible for any promotion and will have to lose even the deputation allowance you have been kind enough to sanction for me.

I beg to add that for a period of 18 months I worked under the late Special Chief Engineer I endeavoured to discharge to his satisfaction the duties entrusted to me both as his Head and Camp Clerk as will be seen from the enclosed copies of correspondence.

In submitting this application I beg to assure you that I do not solicit a general exemption but only for exemption so long as I am employed in this Department.

I beg to remain

Sir,

Your most obedient servant,

M. Abou Rahim

19th March 1906.

Forwarded to the Chief Eng. for Irrig. -

The applicant is a most excellent camp clerk & has been of the greatest use to me in that capacity. If it is possible to obtain this exemption for him, his special competence seems to me to make him thoroughly deserving of it -

This man is my Head Clerk, he has worked very well and
the correspondence has very largely increased. I therefore
recommend the increase in his pay which will also bring him
-----+
50/-15: more on a level with the Head Clerks in the various
-----+
offices under me.

Sd. J.P.DAVIDSON,

Chief Engineer on Special Duty.

Copy of endorsement No.1384 dated 12th October 1904 on
an application for an appointment in the Public Works Secre-
tariat.

Forwarded through the Chief Engineer for Irrigation under
whom the applicant holds a permanent appointment. Abdur Rahim
has been working directly under me since October last that is
for practically 12 months and during that time he has done his
work well. His work and responsibilities have steadily increas-
ed since he began work under me but both at Head Quarters and
in Camp I have found him a thoroughly efficient clerk. In
Camp he is specially useful both as a Clerk and in making all
kind of arrangements in connection with tours. I should be
very glad to see him get the vacancy he applies for but hope
in that case he will be allowed to continue in his present
appointment till my work ends.

For the Secretary.

Permanent exemptions from passing the Precis writing test can be sanctioned only by an order in the Educational Deptt.

In a similar case recently that Department declined to ~~sanction~~^{grant} such exemption to Mr. Jervis, clerk in the office of the Engineer of P. W. accounts. vide G. O. No 564 Ed. of 16.8.05

Temporary exemptions for one or two years are, however, more easily sanctioned by that Department. In these circumstances it is for order what exemption will be recommended in the present case.
