Madras.

Sir,

On the 4th November last the 4th clerk's place on Rs.15 plus $7\frac{1}{2}$ of Gudalur Deputy Tahsildar's Office fell temporarily vacant. Owing to paucity of passed candidates an unpassed man was put in on a pay of Rs.10 plus 5 and I advertised the vacancy in the Malabar District Gazette as a Malayalam knowing man was wanted. Application from one qualified man was received and he was asked to take up the post. But till now he has neither joined the appointment nor intimated his willingness to accept the post.

2. I propose therefore to appoint C.N.Ramakrishna Pattar an unpassed man. He is at present the permanent Karnam of O' Valley on Rs.16. He knows Malayalam, English and Tamil and having been working in the Taluk Office for the past eight years he has acquired a good knowledge of office work. He acted several times as 4th clerk and is reported to have discharged his duties satisfactorily. On two occasions the Board exempted him so as to allow him to draw the full pay of the appointment.

3. I believe it would be more conducive for the efficient working of the Taluk to have a permanent man than to have men who will use their appointments in Wynaad only as a stepping stone to something better. The malarial character of the place does not attract qualified men and even if they take up appointments they remain there only for a short time.

4. Under these circumstances, I have the honour to request that the Government will be pleased to permanently exempt him from the operation of the examination rules up to a pay of Rs.25/ plus the usual Wynaad allowance so long as he serves in the South East Wynaad.

I have the honour to be,

Sir,

Your most obedient servant,

for Collector.

The Collector's permanent exemption of Mr. Krishna Pattar from examination rules, so as to enable him to hold posts up to a pay of Rs.25, plus the usual Wynaad allowance during the period he serves in the South East Wynaad. From the Collector's letter it is apparent that great difficulty is experienced in getting passed men. The malarial character of the place does not attract qualified men. As observed by the Collector "it would be more conducive for the efficient working of the taluk to have a permanent man than to have men who will use their appointments in Wynaad only as a stepping stone to something better."

The exemption should be "for service in the Virgin Islands" only & then the man cannot get transferred to a more crucial clinic without losing his exemption -
