To The Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to request you will be so good as to obtain the orders of Government as to whether Local Fund and Municipal pupils may be admitted into the Tanjore Medical School which has been provincialized with effect from 1st July 1905. The superintendent enquires on what conditions District Board students should be admitted. The Surgeon-General considers and I agree that in their case the procedure to be followed should be the same as in the Government Medical Schools at Rayapuram and Vizagapatam. In these schools such pupils are educated free, the monthly stipends and cost of text-books being borne by the Board concerned.

C. No. 429 From the D. P. I. No. 526, dated 14-3-1906.

SUBJECT:
Admission of Local Fund and Municipal Medical pupils into the Tanjore Medical School.

We do not now want L. F. pupils I think. The dual system will be productive of inconvenience.

H. D. T.
15-3-06.

For orders as to whether the D. P. I. may be informed accordingly.

2. The conditions of admission of Municipal and Local Fund pupils into the Rayapuram and Vizagapatam Medical Schools are the same as for private pupils except that the former pay no fees, their monthly stipend and the cost of their books being borne by the Boards sending them to the Schools - Vide rule 2 (f) on page 3 of G.O. Nos. 171-172 Educational, dated 11th March 1904.

NSR
16/3/6

The question whether any District Board or municipality can be permitted to send pupils to the Tanjore Medical School (or the Rayapuram or Vizagapatam School) is one for consideration in L & M. Educational only lays down the conditions of admission. The Director may therefore be informed ~~that~~ Local Board & Munl pupils may be admitted into the Tanjore School on the same conditions [illegible] as those imposed on such pupils admitted into the

Rayapuram & Vizagapatam Schools & copy of the order may be communicated to L & M for such further orders as that Deptt may consider necessary.

Sec.

Please see the conditions marked

U with blue on p. 3 of G.O. 172 of 11.3.04.

The above, I submit, is the correct disposal. So far as Edn is concerned there seems no objection to the admission of these pupils. But L & M will have to consider whether the Tanjore School will, for any special reasons, be differentiated from the Rayapuram & Vizag. Schools.

Chs.
18.3.06.

The above seems correct: but I should like to know whether as a matter of fact L.F. and Municipal pupils are ~~[illegible]~~ studying in the Vizagapatam and Rayapuram Schools. ~~Hospital~~ All Local Bds. have now, I think, to pay a contribution for reserve Hospital Assistants whether they have their own men or not and it seems desirable to get rid of the dual system as far as possible.

The Hon Mr Forbes CSI

There does not seem to be any object in allowing D.t Bds + Municipalities to send pupils to the Tanjore School. Under G.O. no 235-2 dated March 2nd 1906 the District Board have to contribute for the reserved Medl Staff

and in a very short time the Bds ~~& [illegible]~~ and municipalities will find out that they will do no good by educating men for themselves.
As far as the Educational Deptt is concerned it does not matter whether there are private pupils or not at the Medical Schools.
