GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following paper:—

Letter—from Diwan Bahadur V. Krishnama Chariar, Registrar of Books.
To—the Director of Public Instruction.
Dated—Madras, the 24th February 1906.
No.—25.

I have the honour to submit for the order of Government the final proof of the Catalogue of registered publications for the quarter ended the 31st December 1905 compiled in a concise form according to the instructions of the Government of India conveyed by G.O., No. 661, of the 6th October last, the object of the new form being to compress all the information contained in the Catalogue on a single leaf of the proper size for publication in the *Fort St. George Gazette* and for the special use of public libraries. The adoption of the new form has necessarily involved a rearrangement of matter and the consequent expenditure of time, thought and labour at the press as well as in this office, though the departure is an improvement on the past mode of compiling the Catalogue for the gazette as distinguished from the form of the Registry Book kept at this office under Act XXV of 1867.

The total number of publications received for registration is 256, which may be classified as follows:—

Books and pamphlets	184
Periodicals	72
Total ..	256

2. Distributed according to languages, English claims 97 works including diglot editions, Latin 1, Tamil 87, Telugu 30, Malayalam 11, Canarese 7, Konkani 3, Tulu 1, Uriya 3, Hindustani 1 and Sanskrit 15 comprising those printed in Telugu, Grantha and Nágari characters. It will be seen that English and Tamil continue to take the lead.

3. A little over 23 per cent. of the total number registered during the quarter consists of educational works.

4. The number of works copyrighted during the quarter is 90 including 13 Government publications registered free of charge. The above figure includes also 3 works delivered in previous quarters as shown below:—

Name of work.	Quarter in which delivered.
(1) First Catechism of Tamil Grammar by the Rev. G. U. Pope, D.D., 28th Edition.	First quarter, 1880.
(2) Rámodayam, Part 1 (Telugu) ..	Second quarter, 1905.
(3) Srí Rukminí Kalyánam: An original love drama in five Acts (Telugu).	Third quarter, 1905.

Another incident worthy of notice is the assignment of copyright by no less than four proprietors cancelling their own right previously acquired.

N. Dis. on C. No. 1460, *dated 6th March* 1906.

Submitted to Government.

A. G. Bourne,
Director of Public Instruction.

NOTES CONNECTED WITH G.O., Nos. 253, 254, EDUCATIONAL, DATED 9TH APRIL 1906.

[SUBJECT.—*Catalogue of Books for the fourth quarter of* 1905.]

From the Director of Public Instruction, dated 6th March 1906, *No.* 1460.

This catalogue has been prepared in accordance with the instructions issued by the Government of India in their letter disposed of in G.O., No. 661, Educational, dated 6th October 1905. The usual drafts are submitted below for approval.

R.N.—10-3-06.

Submitted that explanation is required on the following points before the draft is approved :—

(1) *Item* 1 *of the proof.*—18° seems to be a misprint for 8°. The Director may be asked ?

Obviously. No need to ask.
C. A. SOUTER.

(2) *Items* 36, 115, 138, 146, 147, 148 and 172. Is the entry "Fol. 8°" correct ?

Why not ?
C. A. SOUTER.

There is folio size and octavo size, but is there folio 8° size ?
P. T. THARYAN—12-3-06.

(3) Throughout the proof the exact date of publication is given as far as it is known—*i.e.*, either date, month and year, or month and year. Instruction (*b*) in paragraph 4 of the letter from the Government of India on page 2 of G.O., No. 661, Educational, dated 6th October 1905, says that "the date as given on the "title page with the name of the era employed should be entered." The entries in the specimen form on page 4 of the Government Order are in two of the four cases "Calcutta, 1904." This looks more like the entries on the *title pages* of books. Should the Director be asked whether the entries in the proof correspond in all cases with those on the title pages of the books concerned ?

But see the last two.
C. A. SOUTER.

Where the title pages apparently give full details, but can it be that *all* the 184 books and 72 periodicals registered in Madras contain similar details ?
P.T.T.—12-3-06.

The dates entered are enough.

OFFICE OF THE REGISTRAR OF BOOKS,

Madras, 24th February 1906.

No. 25.

From

DEWAN BAHADUR V. KRISHNAMA CHARIAR,

REGISTRAR OF BOOKS.

Madras,

To

The Director of Public Instruction,

Madras.

Hoible SIR,

I have the honor to submit for the order of Government the final proof of the Catalogue of registered publications for the quarter ended the 31st December 1905 compiled in a concise form according to the instructions of the Government of India conveyed by Gj. O. No 661, of the 6th October last, the object of the new form being to compress all the information contained in the catalogue on a single leaf of the proper size for publication in the Fort St. George Gazette and for the special use of public libraries. The adoption of the new form has necessarily involved a rearrangement of matter and the consequent expenditure of time, thought and labour at the press as well as in this office, though the departure is an improvement on the past mode of compiling the catalogue for the Gazette as distinguished from the form of the Registry Book kept at this Office under Act XXV of 1867.

2. The total number of publications received for registration is 256 which may be classified as follows:—

Books and pamphlets	184
Periodicals	72
	256

3. Distributed according to languages, English claims 97 works including diglot editions, Latin 1, Tamil 87, Telugu 30, Malayalam 11, Kanarese 7, Konkani 3, Tulu 1, Uriya 3, Hindustani 1 and Sanskrit 15 comprising those printed in Telugu, Grantha and Nagari characters. It will be seen that English and Tamil continue to take the lead.

4. A little over 23 per. cent of the total number registered during the quarter consists of Educational works.

5. The number of works copyrighted during the quarter is 90 including 13 Government publications registered free of charge. The above figure includes also 3 works delivered in previous quarters as shown below:—

Name of work.	Quarter in which delivered.
1. First Catechism of Tamil Grammar by the Rev. G. U. Pope, D. D., 28th Edition.	First Quarter, 1880.
2. Rámodayam, Part 1. (Telugu).	Second Quarter, 1905.
3. Śrí Rukmini Kalyánam: An original love drama in five Acts. (Telugu).	Third Quarter, 1905.

Another incident worthy of notice is the assignment of copyright by no less than four proprietors cancelling their own right previously acquired.

I have the honor to be,
Hoible Sir,
