Letter—from Richard B. Pilcher, Esq., Registrar and Secretary, Institute of Chemistry of Great Britain and Ireland.
To—the Under Secretary of State for India.
Dated—30, Bloomsbury Square, London W.C., the 6th September 1905.

By direction of the Council of the Institute of Chemistry, I am preparing a list of persons officially connected with the practice and teaching of chemistry in Great Britain and Ireland, in the Colonies and in India.

It is desirable that the list should include the names of all analysts holding official appointments under Government. It will include analysts appointed under the Sale of Food and Drugs Acts (1875—1899), under the Fertilisers and Feeding Stuffs Act (1893), and under other Acts and Statutes controlled by British and Colonial Government authorities. Further, it will include a list of Professors and Teachers of Chemistry in the Universities and Colleges recognised by the Council of the Institute for the training of candidates for the Associateship and also, in the principal Indian and Colonial Universities.

I shall be much obliged if you would kindly inform me where I can obtain full information as to the names and qualifications of professional chemists employed by the Indian Government.

NOTES CONNECTED WITH G.O., Nos. 265, 266, EDUCATIONAL, DATED 17TH APRIL 1906.

[SUBJECT.—*List of Government appointments requiring a knowledge of Chemistry.*]

From the Government of India, dated 21st March 1906, No. 266.

The Government of India forward a copy of a letter from the India Office regarding a request made by the Institute of Chemistry of Great Britain and Ireland for particulars of persons officially connected with the practice and teaching of Chemistry in India. They also forward a copy of a list of Professors of Chemistry employed in Government colleges in India with the request that this list may be checked and full qualifications of the officers serving in the Madras Presidency may be furnished. At the same time, they state that they have obtained lists of the Chemists employed in the Chemical Examiners', Assay and Agricultural departments, and request that they may be furnished with information regarding any Chemists not included in any of the above categories who may be serving under the Government of Madras.

2. *As regards teachers of Chemistry.*—In September 1905, the Institute addressed this Government directly, on the same subject, and was furnished with a list of Government appointments requiring chemical knowledge and skill, and the names of persons holding those appointments. This list, which was compiled from information obtained from the Director of Public Instruction and the Revenue and Public departments, will be found on page 19 of G.O., No. 754, Educational, dated 18th November 1905. It contains besides the appointment of Professor of Chemistry, Presidency College, the only appointment shown in the Government of India list, the following seven appointments of Professors and teachers in Government colleges:—

Assistant to the Professor of Chemistry, Presidency College.

Lecturer in Chemistry, College of Agriculture.

Assistant to Lecturer in Chemistry, College of Agriculture.

Professor of Hygiene and Bacteriology, Medical College.

Assistant to Professor of Hygiene and Bacteriology, Medical College.

Professor of Chemistry, Medical College, and Chemical Examiner to Government.

Assistant to the Professor of Chemistry, Medical College.

Submitted that the Government of India list may be amplified by the inclusion of the above seven appointments. But the Director of Public Instruction may first be asked u.o., to state whether the list requires any alterations with reference to transfers, if any, made subsequent to the date of the last letter of the Director of Public Instruction furnishing particulars.

3. With regard to the concluding request of the Government of India, it is submitted that the Director of Cinchona Plantations and the Abkári Deputy Commissioner are the only officers in this Presidency outside the classes specified. The Government of India may be informed accordingly.

N.H.S.—4-4-06.

We may forward a copy of the list in G.O., No. 754, Educational, dated 18th November 1905, with such corrections as may be necessary.
