To

H. E. The Governor
of Madras.

May it please your Excellency,

A few weeks ago my humble self had put in an application praying your Excellency to grant him a scholarship for prosecuting his studies in Tannnig & Pencil-making in some foreign Country.

The Petitioner, though he had made mention of most things in his previous application, wishes to bring some more facts to your Excellency's notice for a kind consideration in his favour.

1. The Petitioner belongs to a most respectable aristocratic family in Malabar and is the son of the Fourth Rajah of Calicut. He (the petitioner) can afford to do some real business after his return from the foreign land whereto he had been sent for training.

2. Even without the assistance of ~~[illegible]~~ others he himself can invest a pretty decent capital to-wards his business.

3. As to the petitioner's character and capability he can produce, if your Excellency calls in, testimonials from the Principal and teachers of the College where he was an alumni for the last six years.

Under these circumstances the petitioner sincerely hopes that your Excellency will kindly grant his prayer.

I remain,
your Excellency's most humble and obedient servant;

Ampalallat Kutti Krishna Menon.

Sir,

With reference to Government Endorsement No. 75, dated 15th February 1906, referring for remarks the application of A. Kuttikrishna Menon of Ambalakat house for a technical scholarship, I have the honour to state that as the applicant has not undergone any course of technical education in tanning or pencil-making - the subjects in which he wishes himself to be trained, I do not recommend the grant of a scholarship to him. As regards his general educational qualifications I may observe that he failed on three occasions in the Matriculation examination.
