Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction.
To—the Secretary to Government, Educational Department (through the Accountant-General).
Dated—Madras, the 2nd April 1906.
No.—Ref. on C. No. 10411 of 1905.

In paragraph 9 of my letter Ref. on C. No. 1413 of 1903, dated 20th January 1904, submitting proposals for reorganizing the Government Girls' schools in the Northern Circle, I reported that there was a peon employed in the Government Girls' school, Anakápalle, and recommended that peons might be employed in all the other schools in that circle. Government in passing orders on these proposals decided in their order No. 203, Educational, dated 29th March 1904, that the peons or watchers proposed to be employed in these institutions should be disallowed and directed the necessary alterations to be made in the proposition statement. In carrying out these alterations the peon borne on the establishment of the Anakápalle school previous to the reorganization was also eliminated.

2. The school at Anakápalle is one of the largest schools in the circle and the peon, it would appear, does the duties of a second or additional conductor without capitation allowance. The Inspectress under the erroneous impression that the wages of this servant might be debited to contingencies as in the case of conductresses, has allowed his pay to be drawn from contingencies from 1st April 1904, the date from which the reorganization scheme was brought into force. The matter was brought to my notice by the Inspectress in connection with an objection raised by the Accountant-General in December 1905, and the enquiries instituted show that the rules of the Account Code have been contravened through ignorance and that, on the other hand, a second servant for the school is highly desirable.

3. I have the honour, in these circumstances, to request that Government may be pleased to sanction with retrospective effect from 1st April 1904 the enclosed proposition statement which provides for a peon for this school. Necessary provision has been made in the budget proposals for 1906-1907 under contingencies and I request that in the final issue of the budget a sum of Rs. 60 out of the allotment proposed under contingencies may be transferred to establishment.
