To

The Secretary to Government

Educational Department, Stonehouse Hill.

Sir,

The University has received seven cases of Europe stores from the India Office, London, per SS "Manora" and "Shadwell" which arrived in Madras respectively on the 2nd and 10th instant. The descriptions of the contents of the packages are specified in the enclosed papers forwarded to me by the Agent for Government Consignments. As the University did not indent on the Director General of Stores for any of the articles specified, there can be no doubt that the packages have been wrongly sent to my address. The Agent for Government Consignments replies to me as follows on a reference being made to him on the subject:-

"The packages having been addressed to Madras University were delivered accordingly as per bill of lading and tonnage account received from India Office. If the articles do not belong to you, please address Government and obtain instructions for their disposal as I cannot take them back."

I have accordingly the honour to request that you will be so good as to obtain, at an early date, the necessary instructions from Government in the matter.

I have the honour to be
Sir
Your most obedient servant
C. A. Paterson
Registrar.
