FURTHER PAPERS.

To

The Secretary to Government,

Educational Department.

Sir,

Application for the state Technical Scholarship Palghat.

24th April 1906.

To

His Excellency, The Governor in Council,

Fort Saint George, M A D R A S.

The humble application of R. Narayana
swamy Naidu, F.S.I., M.J.I.E.,

Assistant Engineer, Palghat, Malabar

District:-

The applicant being a chartered Surveyor of the Incorporated Surveyor's Institution, London, a member of the Incorporated Junior Institution of Engineers, London, and a Diplomed Mechanical Engineer of the Incorporated Electrical Engineer Institute, New York, begs to report that he may be favoured with one of the state Technical Scholarships to study any of the following subjects:- (1) Pencil making (2) Candle-making and (3) Tanning.

With regards to the conditions laid down for the existing scholarships, the applicant begs to report that he is a person born and domiciled within the dominions of His Majesty in India of parents habitually resident in Madras Presidency and not established for temporary purposes only, that he has the consent of his father and family, that his character is good, that he has sufficient knowledge of the English language and that he is physically fit to undergo the course of life and study. As the applicant has already well trained in different branches of Drawing, he could understand the machinery which is a branch of any industry.

In this connection the applicant begs to submit that as he has distinguished himself as first in rank among the passed candidates in the Hydraulics and Irrigation works - Intermediate grade - Government Technical examinations, he was already entitled for a scholarship of an advanced course of study

study under the control of the Director of Public Instruction, which he has not availed.

The applicant further begs to submit that he is temporarily employed at present as a District Board Assistant Engineer in charge of Palghat Sub-Devision, Malabar District, and that he has considerable experience in Engineering, Drawing, and Estimating and has passed in several examinations relating to Civil Mechanical and Electrical Engineering and Drawing which would help him in studying any industry.

He is aged 28 years.

The applicant begs to remain,
His Excellency's most obedient
Servant,

P. Narayanaiah, F.S.I.; M.J.I.E.;
Assistant Engineer, Palghat

- (a) Paper making
