R.C. No. 135 No. 1356 of 06,

Station Madras, Dated the 1st May, 1906.

From (Name) The Hon'ble. Mr. A.G. Bourne, D.Sc., F.R.S.,

(Designation) Director of Public Instruction,

To The Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to request the sanction of Government to the payment of arrears of results stipends amounting to Rs 19-13-0 due to a teacher in Onchalagumma school, Jeypore Hill Range for 1902-03 under the following circumstances.

2. The Hill Schools are usually examined in the last quarter of the official year, that being the healthiest period in those tracts, but as it is difficult to get the grant bills prepared and cashed in the interval between the examination and March 31st, it was decided that grants as well as results stipends should be calculated on the results of the examination of the previous year. Payment of the grants and results stipends for 1902-03 was accordingly made on the results of the

examination for 1901-02, but in the case of the Vizagapatam agency the stipends were revised in April 1903 on the recommendation of the Inspector, with reference to the results of the examination of 1902-03, and in the case of the Onchalagumma school an increase was sanctioned. The earnings of the school in the examination of 1901-02 amounted to Rs 9-14-0, while it was reported that the earnings for 1902-03 were Rs 19-13-0, and the difference of Rs 9-15-0 was paid to the teacher in 1903-04. The Sub Assistant Inspector, Vizianagaram Range who made the report subsequently discovered that he had made a miscalculation and that the earnings of the school were Rs 39-10-0, the error having arisen through his having taken standard rates instead of double those rates as he ought to have done in the case of an Agency school. In July 1903 he addressed the Assistant Inspector of Schools, Ganjam-Vizagapatam Division to have the mistakes rectified but the Assistant Inspector seems to have taken no action in the matter. The question appears to have ^{been} lost sight of until April 1905 when the teacher by putting in the claim which now forms the subject of reference, brought the matter again to light. There is no doubt that but for the mistake of the Sub Assistant Inspector, the teacher would have received Rs 29-12-0 in 1903 instead of Rs 9-15-0; but the claim being more than two years old, and being one for arrears of results stipends which are in the nature of allowances, the sanction of Government is requested for its payment under article 5 of the Civil Account Code.

I have the honour to be,

Sir,

Your most obedient servant,

Eunida Lemast

For Director of Public Instruction.

C. No. 734 From the D. P. I. No. 185-6, dated 1-5-1906.

SUBJECT.
Requesting the sanction of Govt. to the payment of arrears of results stipends due to a teacher in the Jaypore hill range for 1902-03.

The D. P. I. requests the sanction of Govt. to the payment of arrears of results stipends amounting to Rs 9-13-0 due to a teacher in Onchalagumma School, Jaypore Hill Range for 1902-03.

The Sub Asst. Inspector of the Vizianagaram range miscalculated the earnings of the school for 1902-03; consequently only Rs 9-13-0 was paid whereas Rs 29-10-0 was due. In July 1903 he addressed the Asst. Inspector of Schools to have the mistake rectified, but the latter took no action in the matter.

In April 1905, the teacher put in his claim for arrears of results stipends. The claim being one in the nature of allowances, and being more than 2 years old, the sanction of Govt. is necessary under Art 5 of the Civil Account Code.
