Station Madras, Dated the 31st January 1906.

From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc., F.R.S.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to submit an application for grant towards the cost of certain articles of furniture and cooking vessels purchased for the Kumbakonam College Hostel and to recommend that a grant of Rs. 500 may be sanctioned, to be paid on receipt of the necessary vouchers from the President on or before the 1st March next. The articles seem to have already been purchased: but it is recommended that the grant be sanctioned as a special case.

2. The list includes 40 benches at a cost of Rs. 400 for the rooms occupied by the students; but I consider this unnecessary.

3. The proposed expenditure if sanctioned will be

met

SUBJECT:
Grant for certain articles of furniture and cooking vessels purchased for the Kumbakonam College hostel.

Pages 36-37 of the Code

Under clause (i) of rule 126 ~~(i)~~ of the Grant-in-aid Code grants not exceeding one-half of the total cost shall ~~may~~ be given for school and hostel furniture, and for apparatus, chemicals, maps, diagrams and models; for books and non-Indian periodicals for school and public libraries and reading-rooms; for the plant, materials and tools needed in industrial and technical schools; and for needle work or other art and industrial exhibitions. But under clause (iv) of the same rule grants shall not be given for articles regarding which the sanctioning authority has not been consulted and for which aid has not been promised previously to purchase or manufacture.

2. The Director submits an application from the President of the Kumbakonam College hostel Committee for a grant of Rs. 1010 towards the cost of certain articles of furniture and cooking vessels purchased for the hostel. The cost of the articles in question is estimated at Rs. 2017-11-0 but of this the Director has disallowed a sum of Rs. 400, the cost of 40 benches for the rooms occupied by students, on the ground that he considers them unnecessary. Thus the balance on which the grant has to be calculated is Rs. 1617-11-0 (Rs. 2017-11-0 – Rs. 400). The maximum grant

admissible under clause (i) of rule 126 of the Grant-in-aid Code is Rs. 808-13-6 or Rs. 809 in round numbers. The Director however reports that the articles seem to have already been purchased. If this is so, no grant is admissible — Vide Clause (iv) of rule 126 of the Grant-in-aid Code. But the Director recommends a grant of Rs. 500 as a special case. For orders as whether the Director's recommendation may be accepted. If accepted, the draft placed below is submitted for approval.

It seems doubtful whether the Kumbakonam hostel can be treated as a private institution eligible for grant under the grant-in-aid Code. It is vested in the Treasurer of Charitable Endowments — G.O. no 304 Edl d/ 30th May 1899 — and is managed by a Committee "subject to the general supervision and orders of the "Govt. of Madras". The grant of Rs 25,000 paid towards the cost of the building — G.O. no 97 Edl d/ 18th February 1897 —

T

S

was outside the Grant in aid Code. Submitted that any grant which Govt. may now wish to make towards the cost of furniture & vessels may also be kept outside the code. If the Committee had not stepped in & built the hostel the Govt. would have had to do it.

If the above view is accepted the question of the legality of the grant will not arise and the question for consideration will then be what should be the amount of the grant. The payment may be met from the provision for building grants in the Educational budget.

P.G.
10/2/06

x There is no question of "legality": there is no "law" on the subject!

Sec.

Any grant is an act of Charity & cannot apparently be made under the Code. Is a grant to be given?

C.L.
12/2/06

I think that this is a special case in which a grant may be made outside the Code.

The Hostel fund amounted to about R60000 of which about R35000 was subscribed by the Public on the occasion of the Diamond Jubilee 1897, and R25000 was ~~subsc~~ granted by Govt.

B. The Building is a new one and must be furnished. I would suggest a grant of Rs 750 - but this will have apparently to be made by Financial from the general reserve, and not out of the Edl. ~~grant~~ Budget.

(a) Item 1 Benches. Rs 400. The D.P.I would disallow this as unnecessary

(b) Item 2-10 Furniture, Lamps – Rs 1182. 10. 0

(c) Item 11 Cooking vessels Rs 435: 1: 0.

The grant may be reduced to Rs 600 which is approximately one half of the items included in (b) supra.

3. Submitted that students pay fees for hostel accommodation. Large cooking vessels are used. It might lead to disorder and want of cleanliness if each pupil cooked his own food with his own separate vessels.

No doubt. but will ~~pun~~ Brahmins consent to be served out of vessels used to cook the food of Sudras or Pariahs

I did not mean that the Hostel should not supply cooking vessels if they chose: but only that Govt should not give a grant towards their purchase.

I dont see why we should go beyond the grant proposed by the D.P.I, Rs 500. There is really not much to be said for a grant as the parents of many of the boys using the Hostel must be wealthy. It is not a charitable
