3
Copy of letter from the Director of Public Instruction, Ref. on Cur.No.888/3, ~~dated~~ of 1905, dated 22nd March 1906.

In continuation of para.2 of my endorsement Ref. on Cur.No. 888/3 of 1905, dated 16th January 1906 remarking on the educational portion of the budget estimates of the Godavari District Board for 1906-07, I have the honour to submit herewith the proposition statement for the abolition of twenty two primary schools by the Rajahmundry Taluk Board and to state that the proposal if carried out would be greatly detrimental to the cause of primary education in the district and that every possible endeavour should be made to retain these schools under the management of the Board.

2. The average number on rolls and the average daily attendance as taken on 30th September 1905 are given in the accompanying statement from which it will be seen that the schools are sufficiently strong to justify their existence. The attendance in a few of the schools is no doubt poor; and the inspecting officers will be instructed to try and improve it as far as possible.

3. The abolition of these schools is proposed by the Rajahmundry Taluk Board because the wealthy taluk of Ramachandrapur has been transferred from its jurisdiction, but I trust it will be possible for the District Board by a suitable adjustment to find the necessary funds for the maintenance of the schools. If however Government is satisfied that the cost cannot be entirely met from local funds, I suggest that it may be met by subsidy to such extent as is necessary from the special grant of six lakhs.
