To—the Secretary to Government, Educational Department.

Dated—the 8th May 1906.

No.—Ref. on Cur. No. 2347/06.

In connection with the redistribution of Inspectors' Circles in this Presidency recently sanctioned by Government I represented to the Chief Commissioner of Coorg that it would be desirable to transfer the control of the schools in Coorg from the Inspector of European and Training Schools to the Inspector of the new VI Circle (comprising the districts of Malabar, South Canara and the Nilgiris) on the ground that this arrangement would do much to equalize the work of Inspectors. The Chief Commissioner having approved of my proposal, I have the honour to request that it may be sanctioned by Government with reference to G.O., No. 24, Educational, dated 18th January 1905.

Order—No. 340, Educational, dated 14th May 1906.

The Director's proposal which has the approval of the Chief Commissioner of Coorg is sanctioned.

NOTES CONNECTED WITH G.O., No. 340, EDUCATIONAL, DATED
14TH MAY 1906.

[SUBJECT.—*The transfer of the control of the schools in Coorg from the Inspector of European and Training Schools to the Inspector of Schools, Sixth Circle.*]

From the Director of Public Instruction, dated 8th May 1906, No. 2347.

The control of the schools in Coorg was formerly entrusted to three officers—the Director's letter No. 7589, dated 22nd December 1904, printed with G.O., No. 24, Educational, dated 18th January 1905. Inspector of Schools, Western Circle, the Inspectress of Girls' Schools, Southern Circle, and the Inspector of European and Training Schools. Owing to the waste of time and energy involved in the arrangement, the Director suggested to the Commissioner of Coorg that the whole inspection work in Coorg might be entrusted to one officer—the Inspector of European and Training Schools—who could better spare the time for the work than either of the two other officers. The Commissioner accepted the suggestion and obtained the consent of the Chief Commissioner to the arrangement which was then approved in G.O., No. 24, Educational, dated 18th January 1905.

2. At this time there were only four ordinary Inspectors and the jurisdiction of the Inspector of the Western Circle extended to Coimbatore, the Nilgiris, Salem, Malabar and South Canara. In December 1905 sanction was obtained to the addition of two new appointments of Inspectors—G.O., No. 825, Educational, dated 15th December 1905—and in the redistribution of Inspectors' circles, the districts of Coimbatore and Salem were taken away from the Inspector of the Western Circle—the new Western or Sixth circle comprising only the districts of Malabar, South Canara and the Nilgiris. The jurisdiction of the Inspector of European and Training Schools which extended to the whole of the Presidency remained unaltered.

3. To equalize the work of Inspectors the Director now proposes with the approval of the Chief Commissioner of Coorg to take the schools in Coorg from the Inspector of European and Training Schools and to give them to the Inspector of the new Sixth circle. Submitted that the proposal may be approved and the draft placed below issued.
