Most Honoured Sir,

With best respects and due submission of the undersigned humble applicant beg to bring the following few lines to the kind consideration of His Gracious Majesty's Government of India through Your Honour hoping to benefit by the generosity of the same.

Having noted carefully the Govt Notifications dated 23.1.06 and 6.4.06, issued in the Fort St George Gazette on the 6th February and 1st inst^l respectively, to the effect that the Government would grant 'Technical Scholarships' to deserving and well-to-do young Indians, who are earnestly desirous of learning the various industries prevalent in Europe and America, allowing them free passage to and from the same and ensuring their livelihood there, I most respectfully beg to offer myself as a candidate for a said 'Scholarship' to enable me to learn 'Tanning' (Industrial Chemistry) and 'Palmyra products' in England in any other Country which Your Honour may select with the consent of my mother and elders binding myself solemnly to the rules and orders for the Indian Government Technical Scholars.

I have studied upto the Matriculation Class and in the said standard for about seven months and have a good knowledge in English. Without the ridiculous offence of boasting I beg to state that I have been equally diligent and persevering both at school and in my apprenticeship in Messrs Gibson & Co and my headmaster

of London Mission High School Mr C. S. Subba Row
was wont to tell my (deceased) father "Your son will be
an ornament to Your family and feather to Your Cap." I
have herein enclosed a true copy of the testimonial award-
ed to me by Messrs Gibson & Co to Your Honour's esteemed
perusal.

In Conclusion I most earnestly request Your
Honour to be graciously pleased to grant me the said
'Scholarship' and kindly encourage me in my under-
taking. In the event of my being granted the scholar-
ship I shall, by the grace of God, try my best to prove
myself worthy of the boon bestowed on me, and for which
act of charity and philanthropy pray for Your Honour's
long life and prosperity with a just sense of deep gratitude.

Hopefully trusting that Your Honour will kindly
Condescend to grant my earnest prayer, supply me
with necessary documents etc, and favour me with an
esteemed reply, for which is herein enclosed a postage
stamp for an anna.

I beg to remain,
Most Honoured Sir,
Your most obedt Servant,
J. S. Muthu Krishna.

True Copy of the Testimonial.

We do hereby certify with great pleasure that Mr. J. S. Muthu Krishna Naidu proved beyond all doubt to be honest, trustworthy, industrious and persevering in his apprenticeship of a year & a half in our Manufactory; during which time his conduct & character were admirably good. He has a good knowledge in English - sufficient for the commercial business and is a very good letter-writer. He has a laudable taste in Industry & Commerce and is naturally ambitious and interested in their progress with an earnest patriotic zeal. We recommend him to the Commercial & industrial spheres trusting that he will be a promising co-operative. We wish him every success and prosperity in his future business & life
