To The Secretary to the Government of Madras,

Sir,

W
With reference to G.O. No. 162 L.Mis. d/ 15th February 1906 directing the President, Mangalore Taluk Board to reconsider his proposals for the revision of establishment in primary schools I have the honour to state that the President states that if the new scale recommended by me is to be given effect to a sum of Rs 870/- over and above the provision made in the current year's budget will be required to meet the additional cost and requests to be informed whether this amount can be allotted from the current year's recurring grant of six lakhs and whether credit may be taken for a similar grant every year. The revised scale proposed for the schools is desirable in view of placing them on the salary instead of on the salary results system and giving the necessary efficiency
