Sr,

In continuation of this office letter

Ref. on C. No. 3436 of 05 dated 26th March 1906, submitting
an application for aid towards the cost of certain additions
and improvements to the building occupied by the Deaf and Dumb
School, Palamcottah, I have the honour to state that I have
since been furnished with a copy of the deed referred to in
that letter, and find that by it Miss Swainson has transferred
the school buildings to the C.E.Z.M. Society upon trust to use
them for the maintenance of a school for deaf mutes as long
as it shall be considered advisable for the Society to do so.
The deed provides for the selling of the land and buildings
and the utilization of the proceeds for the support of a
similar institution elsewhere in India in the event of the

Society determining to close the school. The Government Solicitor, to whom I have referred the deed, is of opinion that in order to safeguard the interests of Government, if a grant is sanctioned, any mortgage of the property should be executed by or on behalf of the Church of England Zenana Missionary Society either in the manner provided for the execution of deeds by such articles of Association to which the Society may be subject or by the duly constituted attorney of the Society. Payment of the grant may therefore be made subject to the fulfilment of the above condition.

I have the honour to be,

Sir,

Your most obedient servant,

E. M. A. A. A. A.

X In his letter No. c no. 3436 of 1905 dated 26th March 1906, the D. P. I. submitted an application from the Manager of the deaf & dumb school at Palamcottah, for a grant-in-aid towards the cost of additions and improvements to the School building, together with a plan & an estimate amounting to Rs 4610. As Miss Swainson the Manager of the institution, did not expect to remain in India for a period of 20 years during which Govt. will have a claim on the building if a grant is ^{paid} sanctioned, she made arrangements in legal form with the Tenana Mission, to carry on the school in the event of her leaving India. The D. P. I. called for a copy of the deed of agreement to satisfy himself that it made suitable provision for the management and maintenance of the school, but found that it was not available then as the deed had been deposited with the Tenana Mission in England. Meanwhile as the ^{repairs & improvements were} building was urgently required, the classrooms being pronounced to be unsafe & the roof & walls being eaten up by white ants, the D. P. I. recommended that Govt. may be pleased to allow the Manager to begin operations without prejudicing her eligibility

for a grant, and at the same time without prejudicing the right of the Govt., to refuse the grant or to sanction it on such special conditions as the circumstances of the case may require. This recommendation was approved in C.O. no. 345 Eol dated 15th May 1906.

2. The D.P.I now writes to say that he has been furnished with a Copy of the deed, wherein Mrs Swainson, has transferred the school buildings to the Church of England Tenants Unionary Society upon trust to use them for the maintenance of a school for deaf mutes as long as it shall be considered advisable for the Society to do so. The deed further provides for the selling of the land + buildings and the utilization of the proceeds for the support of a similar institution in India in the event of the Society determining to close the school. The Govt. Solicitor to whom the D.P.I referred the deed is of opinion, that in order to safeguard the interests of Govt., if a grant is sanctioned, any mortgage of the property should be executed by or on behalf of the Church of England Tenants Unionary Society either in the manner provided for the execution of deeds by Indian Article of Association or which the Society may be subject or by the duly constituted

Constituted attorney of the Society.

3. Submitted, that since in G.O. no: 345 E.O. dated 15th May 1906, the Govt. has reserved to itself the right to refuse the grant or to sanction it on such special conditions as the circumstances of the case may require, payment of the grant may be made subject to the fulfilment of the condition noted above. The additional improvements to the school building are estimated to cost Rs 4610. Therefore the maximum grant admissible under rule 51 of the new grant-in-aid code is Rs 1536. ~~After the amount of the grant has been settled,~~ After the amount of the grant has been settled, P.W.D. may be asked to fix a period, within which the work can be completed.
