Letter—from E. H. Gadsden, Esq., Acting Inspector-General of Prisons.
To—the Secretary to Government, Educational Department.
Dated—Ootacamund, the 1st June 1906.
No.—3912.

With reference to G.O., No. 344, Educational, dated 14th May 1906, which was received under Judicial endorsement No. 2633–1, dated the 18th May 1906, I have the honour to submit, in original, for the orders of Government, a letter from Mr. G. N. Dewal, dated the 30th May 1906, in which Mr. Dewal states that he is unable to furnish two sureties in the sum of Rs. 5,500 for the execution of the bond, and begs that he may be allowed to execute a personal bond for the fulfilment of the conditions required, with two sureties for the sum of Rs. 1,000 (one thousand).

2. I have known Mr. Dewal for many years in the capacity of weaving master at Coimbatore, and can testify to his general good conduct and professional ability, and I would therefore recommend his present application for the favourable consideration of Government.

3. Should the Government be pleased to grant the concession applied for, Mr. Dewal proposes leaving for England about the end of July or the beginning of August and would prefer embarking at Bombay where he intends leaving his family.

Enclosure.

Letter—from Mr. G. N. Dewal, Weaving Master, Central Jail, Coimbatore.
To—the Inspector-General of Prisons.
Dated—the 30th May 1906.

In acknowledging with thanks copy of G.O., No. 344, Educational, dated the 14th May 1906, which was forwarded with your endorsement to the Superintendent, Central Jail, Coimbatore, No. 3673, dated the 22nd May 1906, I respectfully beg to lay the following circumstances before you and to request that you will be pleased to recommend my request for the favourable consideration and sanction of Government.

2. I submitted my application for a Government of India technical scholarship on the 20th May 1905. In G.O., No. 818, Educational, dated the 13th December 1905, His Excellency in Council was graciously pleased to declare that under certain conditions he was prepared to recommend my case to the Government of India for a technical scholarship if I still wished my application to be transmitted to that Government. I accepted the terms offered which did not then include the execution of a bond as prescribed in the later G.O., No. 251, Educational, dated the 6th April 1906. The order of Government of the 14th May 1906, No. 344, Educational, imposes the obligation on me of executing a bond with two sureties in the sum of Rs. 5,500 with other conditions. I am quite willing to subscribe to the two provisions referred to in paragraph 1 of the Government order of the 6th April 1906, but owing to my circumstances and to the amount of security demanded being so large, namely Rs. 5,500, I regret that I am unable to find two sureties to execute the bond prescribed. I am perfectly willing to do my best to fulfil the required conditions which I respectfully beg to point out would practically debar candidates in like position as myself from availing themselves of the benefits of the system and thus the object of the Government would be defeated except where candidates otherwise eligible have the necessary wealth or wealthy friends and relatives to support them. I am prepared, however, to execute a personal bond as regards the conditions of the grant of the scholarship, namely, (1) for the refund of the amount disbursed in the event of my failure through any default on my part to complete the prescribed training and (2) for my return to India for a period of at least five years after the completion of the course. I am also prepared to furnish two sureties in the sum of Rs. 1,000 for the due fulfilment of the bond.

3. I have represented my case in person to Mr. Butterworth, I.C.S., and was informed that I could submit an application to Government in the special circumstances explained and herein set forth, and that my application would receive favourable consideration on the conditions stated above.

4 Should the Government be pleased to accept the modified conditions in my case, I beg leave to enquire whether the free passage provided by sea will be *via* Bombay or *via* Madras. As I belong to Bombay and intend leaving my family there I should prefer embarking at Bombay if this can be arranged. If my passage from Bombay is granted, I propose leaving Coimbatore in the first week of July, and Bombay for England about the end of July or the beginning of August.

5. In conclusion I trust that in the circumstances explained the Government will be pleased to sanction the modified conditions under which alone I shall be able to accept the scholarship which has been so kindly conferred on me and that you, Sir, will be pleased to support this application and forward it with your special recommendation to Government.

Letter—from H. D. TAYLOR, Esq., I.C.S., Acting Secretary to the Government of Madras, Educational Department.
To—the Secretary to the Government of India, Home Department.
Dated—Ootacamund, the 14th June 1906.
No.—415, Educational.

With reference to Mr. Marris' letter No. 266 (Education), dated the 4th May 1906, on the subject of the grant to Mr. G. N. Dewal, weaving master in the Coimbatore Jail, of a technical scholarship of the value of £150 a year tenable for two years at Manchester, I am directed to state that Mr. Dewal proposes to leave for England about the end of July or the beginning of August next.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., Nos. 414, 415, EDUCATIONAL, DATED 14TH JUNE 1906.

[SUBJECT.—*Mr. G. N. Dewal's request to be permitted to execute his bond with two sureties of Rs. 1,000 each and to leave for England viâ Bombay.*]

Mr. Dewal, weaving master in Coimbatore Jail, has been granted a technical scholarship by G.O., No. 344, Educational, dated 14th May 1906. The form of bond to be executed by Mr. Dewal is printed as an appendix to G.O., No. 251, Educational, dated 6th April 1906.

Mr. Dewal and two sureties on his behalf have to bind themselves to the amount of Rs. 5,500 to perform the conditions of the bond.

Mr. Dewal has been to see me and says that it is impossible for him to get sureties who are willing to engage themselves to such a large sum.

He is willing to bind himself to refund all money actually expended on his passages and allowance in case of a breach of the agreement and thinks that he will be able to get two sureties who will stand security for his doing so up to the amount of Rs. 1,000.

The Honourable Member said in his note on pages 3 and 4 of the notes printed with G.O., No. 251, Educational, dated 6th April 1906, that he would, if necessary, accept the candidate's own bond without sureties.

If Mr. Dewal can find sureties up to even Rs. 1,000, that will be something gained and, if the Honourable Member accepts the proposal, we can ask the Government Solicitor un-officially to revise the form of bond so as to meet the present case.

A. BUTTERWORTH—28-5-06.

G. S. F[ORBES]—28-5-06.

To the Government Solicitor with the request that he will kindly note the changes to be made in the form of bond appended to G.O., Nos. 251, 252, Educational, dated 6th April 1906, in order to meet the present case.

Mr. Dewal is to be bound up to the extent of the actual outlay on his passages and allowance and the two sureties are to be bound up to the extent of Rs. 1,000.

A. BUTTERWORTH—29-5-06.

GOVERNMENT SOLICITOR'S OFFICE.

I forward a revised form of bond for approval. In the printed form attached to G.O., No. 251, Educational, dated 6th April 1906, the words inserted in the margin in pencil seem to have been omitted by mistake.

expiration of the term of the scholarship so that the blanks marked thus × on pages 3 and 5 may be filled in. May six months be allowed? The expression used in the agreement of temporary members of the Indian Educational Service sent out by the Secretary of State is "and leaves India on his return to England within such time as he may be directed"—please see clause 7 of Mr. Ryve's agreement on page 4 of G.O., No. 602, Educational, dated 6th September 1905.

Six months will do.

2. The omission referred to in the Government Solicitor's note *supra* was in the copy furnished by him. Please see page 5 of the original of G.O., Nos. 251, 252, Educational, dated 6th April 1906.

G. S. F[ORBES].

We shall have to issue a revised form of bond. The omission is important.

A. BUTTERWORTH—5-6-06.

From the Inspector-General of Prisons, dated 1*st June* 1906, *No.* 3912.

The modified agreement which Mr. Dewal has to execute and a form of which has been furnished by the Government Solicitor is being urgently printed. As soon as it is ready it will be sent to the Inspector-General of Prisons to have it executed.

2. In addition to the request for formal permission to execute this modified agreement Mr. Dewal now enquires * whether the free passage † provided by sea will be *viâ* Bombay or *viâ* Madras. There is no objection to his going *viâ* Bombay. Ramalinga Reddi—a Government of India scholar—was allowed to do this—please see G.O., Nos. 307, 308, Educational, dated 17th May 1902. Mr. Dewal may be informed accordingly when the agreement is sent to him for execution.

* Paragraph 4 of his letter.

† Paragraph 3 of G.O., No. 344, Educational, dated 14th May 1906.

3. Steps are being taken to reprint the form of agreement with G.O., Nos. 251, 252, dated 6th April 1906, with the omission pointed out by the Government Solicitor supplied.

P. T. THARYAN—7-6-06.

C. A. SOUTER—8-6-06.

Are there any general rules as to the steamer lines by which passages should be taken, or is there any limitation as the amount of passage money allowed? In Ramalinga Reddi's case I see that it was Rs. 467-8-0.

2. Passages are usually taken and paid for direct by the Accountant-General? If the present passage is to be taken from Bombay, must we not ask the Bombay Government to take it? Mr. Dewal will presumably bear his own expenses as far as Bombay.

H. D. TAYLOR—10-6-06.

Please see paragraph 3 of the letter from the Government of India, No. 6753-P.O., dated 28th November 1905, with G.O., No. 21, Financial, dated 2nd January 1906. The decision as to the lines by which passages should be taken is left to the Local Governments but in making the selection regard should be had to considerations of economy—paragraph 2 of letter from the Government of India, Military department, No. 695-C., communicated with Finance and Commerce Department letter No. 3571-S.R. printed with G.O., No. 404, Financial, dated 23rd June 1904.

2. In the present case under paragraph 6 of the letter from the Government of India read with G.O., No. 695, Educational, dated 28th November 1901, and quoted in the letter read with G.O., No. 344, Educational, dated 14th May 1906, we have to provide Mr. Dewal with a second-class passage to England. The cost of this passage from

Madras (by the British India Steam Navigation line) is Rs. 420. This is also the cost of the cheapest passage from Bombay (by the Ellerman city line) page 3 of G.O., No. 404, Financial, dated 23rd June 1904.

3. Submitted that the Accountant-General may not find it difficult to arrange for a passage being engaged from Bombay and that there will be no necessity to address the Bombay Government.

4. Mr. Dewal must, it is submitted, bear his own expenses as far as Bombay.

P. T. THARYAN—11-6-06.

There seems, on the whole, no objection to Mr. Dewal's going from Bombay so long as he pays his way by rail. It seems inadvisable, I submit, to lay down any hard and fast rule as to the steamer or line by which a scholar is to travel. Mr. Dewal may now be told that he may proceed by Bombay, that his passage must be by second class not exceeding Rs. 450 in price, and that he must pay his way from Madras to Bombay. The Accountant-General, Madras, can pay by remittance transfer receipt I suppose, but perhaps it might be as well to ask Bombay to pay and get the sum adjusted.

H. D. TAYLOR.

C. A. SOUTER—11-6-06.

Mr. Dewal proposes to leave Coimbatore for Bombay in the first week of July if permitted to proceed *via* that port. He may be informed at once that arrangements will be made to secure his passage from Bombay.

2. The Accountant-General may be asked to make the necessary arrangements.

H. D. TAYLOR—11-6-06.

Very well. It will be in the monsoon.

G. S. F[ORBES]—12-6-06.

Draft accordingly to Mr. Dewal and to the Accountant-General.

May the bond be put in type and then sent to Mr. Dewal through the I.G. of Prisons for execution? We have to fix the period within which Mr. Dewal should return to India after the expiration of the term of the Scholarship so that the blanks marked ~~[illegible]~~ thus × on pages 3 & 5 may be filled in. May six months be allowed? The expression used in the agreement of temporary members of the Indian Educational Service sent out by the Secretary of State is "and leaves India on his return to England within such time as he may be directed" – ~~please~~ see clause 7 of Mr. Rynes' agreement on page 4

Are there any general rules as to the steamer lines by which passages should be taken, or is there any limitation as to the amount of passage money allowed? In Ramalinga Reddi's case I see that it was

G Rs 467:8:0.

Passages are usually taken ~~–~~ paid for direct by the A.G.? If the present passage is to be taken from Bombay, ~~[illegible]~~ must we not ask the Bombay Govt. to take it? Mr Dewal will presumably bear his own expenses as far as Bombay.

to the lines by which passages should be taken ~~are~~ is left to the local Govt. but in making the selection regard should be had to considerations of economy – para. 2 of letter from the Govt. of India Military Departt. No 695-C. communicated with Fin. & Com. Departt. letter No 3571 S.R. printed

A read with G.O. No 344 Finl. dt 14th May 1906 we have to provide Mr. Dewal with a second class passage to England. The cost of this passage from Madras (by the B.I.S.N. line) is Rs 420. This is also the cost of the cheapest passage from Bombay (by the Ellerman
P. City line) – page 3 of G.O. No 404 Finl. dt 23rd June 1904.

Submitted that the A.G. may not find it difficult to ~~[illegible]~~ arrange for a passage being engaged from Bombay and ~~that~~ there will no necessity to address the Bombay Govt.

Mr. Dewal must it is submitted bear his own expenses as far as Bombay.

There seems on the whole no objection to Mr Dewal's going from Bombay so long as he pays his way by rail.

It seems inadvisable, I submit, to lay down any hard & fast rule as to the steamer or line by which a scholar is to travel. Mr Dewal may now be told that he may proceed by Bombay, that his passage must be by second-class not exceeding 45£ in price, & that he must pay his way from Madras to Bombay. The A-G. Madras can pay by remittance transfer receipt, I suppose, but perhaps it might be as well to ask Bombay to pay & get the sum adjusted.
