To

The Superintendent
Government Dispensary
Madras

Sir,

I beg to state that on your kind recommendation and that of the Surgeon-General, Government was pleased to exempt me permanently from the Upper Secondary Examination for employment in my present appointment vide Proceedings of Madras Government Educational Department No: 136 dated 29th February 1904.

The pay of the appointment as you are aware is only Rs 20 and considering the limited nature of the establishment my future prospects here are very poor. Nor can I better my circumstances elsewhere unless I qualify myself for higher appointments. I therefore solicit that you will kindly recommend this my application to the Surgeon-General for his gracious consideration and transmission to Government with a view to the above exemption being treated as a general one so as to enable me to go up for higher examinations such as the Prelo writing, Translation test etc. and thus qualify myself for higher pay in due course.

For which act of kindness I shall
ever

ever feel grateful.

Submitted and strongly recommended. The applicant is an intelligent and well-connected young man. He has worked very well and given me entire satisfaction both as regards his work and conduct. The object with which he makes this application is a laudable one and deserves the kind consideration of the Surgeon General and Government.
