Letter—from W. S. MARRIS, Esq., Deputy Secretary to the Government of India, Home Department (Education).

To—the Secretary to the Government of Madras, Educational Department.

Dated—Simla, the 1st June 1906.

No.—387.

I am directed to state, for the information of the Governor in Council, that the Home Department letter No. 124, dated the 7th March 1906, to the address of the Government of Madras expressed an anticipation which has unavoidably been unfulfilled. The Government of India have decided to defer dealing with the subject of the School Final examination pending the revision of the regulations of the Universities under the Indian Universities Act of 1904, which is now in progress, in order to avoid adding to the difficulties of completing that revision within a reasonable time.

2. I am accordingly to suggest, for the consideration of the Governor in Council, that the regulations of the Madras University should be framed without reference to the scheme for a School Final examination. When the revised regulations have been framed, the Government of India will address the Government of Madras on the subject of the School Final examination and the matter can then be laid before the Senate and discussed at leisure.

Order—No. 442, Educational, dated 22nd June 1906.

The Director of Public Instruction is informed that the Government of India have decided to defer dealing with the subject of the School Final examination pending the revision of the regulations of the Universities under the Indian Universities Act, 1904, which may be framed without reference to that scheme.

NOTES CONNECTED WITH G.O., No. 442, EDUCATIONAL,
DATED 22ND JUNE 1906.

[SUBJECT.—*School Final Examination.*]

From the Government of India, Home Department, dated 1st June 1906, No. 387.

After issuing their resolution on the Indian Educational policy the Government of India stated in Mr. Nathan's letter printed with G.O., No. 44, Educational, dated 30th January 1905, that they proposed to address a further communication to the Government of Madras on the subject of the School Final Examination. As this communication was not received for a long time, they were asked in letter No. 10-R., dated 11th January 1906, when it might be expected. In reply they said they hoped to issue orders regarding the School Final during the month of March 1906—*vide* their letter printed with G.O., No. 193, Educational, dated 15th March 1906.

2. There was delay again and a further reminder was sent—*vide* letter No. 135 R., dated 23rd May 1906. The Government of India now state that they have decided to defer dealing with the subject of the School Final pending the revision of the regulations of the Universities under the Indian Universities Act, 1904, now in progress. They request that the regulations of the Madras University should be framed without reference to the scheme for a School Final Examination, which may when ready be subsequently placed before the Senate and discussed at leisure.

3. The Senate of the Madras University does not seem to be waiting for the orders on the School Final, but appears to be framing its regulations without reference to it. The Director of Public Instruction may perhaps be informed of the present decision of the Government of India, and copy of the order alone in manuscript communicated to the Senate.
