G.O., No. 96, Educational, dated 18th February 1899.

ABSTRACT.—Approving the rules framed for the award of the Grose Memorial Prize and sanctioning a supplemental grant of Rs. 21-8-0 in aid of the Grose Memorial Prize Fund.

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 9th June 1906.

No.—Ref. on Cur. No. 3488.

Rule 2 of the rules for the award of the Grose Memorial prize sanctioned in G.O., No. 96, Educational, dated 18th February 1899, requires that the prize should be awarded on the results of the first examination for the Apothecary grade conducted by the Board of Examiners, Medical College. The Government of India notification No. 961, Public, dated 3rd November 1905, republished in the supplement to the issue of the *Fort St. George Gazette*, dated 21st idem, having, in the case of Military pupils of the Assistant Surgeon grade, replaced the first and second Board examinations by examinations conducted under the direction of the Principal, the Principal, Medical College, proposed that the first and second examinations of the Colonial apprentices and female students who pursue the same course of instruction be also conducted by the college staff, and this proposal was, with the concurrence of the Surgeon-General, approved by me. This necessitates a change in rule 2 of the rules for the award of the prize and I have the honour to recommend that it be modified as below:—

“2. The prize shall be in the form of books or of surgical instruments or of a medal and shall be awarded on the recommendation of the College Council to the female student of the Apothecary class who secures the highest place at the annual examination at the end of the second year of study.”

The College Council approve of the change.

Order—No. 443, Educational, dated 22nd June 1906.

Rule 2 of the rules for the award of the Grose Memorial Prize approved in G.O., No. 96, Educational, dated 18th February 1899, will be modified as proposed by the Director.

NOTES CONNECTED WITH G.O., No. 443, EDUCATIONAL,
DATED 22ND JUNE 1906.

[SUBJECT.—*Alteration in rule 2 of the rules regulating the award of the Grose Memorial Prize.*]

From the Director of Public Instruction, dated 9th June 1906, No. 3488.

G.O., No. 96, Educational, dated 18th February 1899.

Rule 2 of the rules for the award of the Grose Memorial Prize runs as follows:—

“The prize shall be in the form of books or of surgical instruments, or of a medal and shall be awarded, on the recommendation of the (Medical) College Council, to the female student who secures the highest place at the first examination for the Apothecary grade.”

2. The first examination (and also the second examination) for the Apothecary grade have hitherto been conducted by the Board of Examiners, Medical College, but have now been replaced by examinations conducted under the direction of the Principal of the College. The rules for the conduct of examinations for the Apothecary Department of the Medical College were sanctioned by Government in their order No. 400, Educational, dated 5th July 1898. The sanction of Government should have therefore been apparently obtained for any alterations in them.

3. The rules about the examinations having however been altered, the Director now requests sanction to the alteration of rule 2 of the rules for the award of the Grose Memorial prize as follows:—

“The prize shall be in the form of books . . . to the female student of the Apothecary class who secures the highest place at the annual examination at the end of the second year of study.”

The first examination for the Apothecary grade hitherto conducted by the Board of Examiners was also at the end of the second spring term or at the end of the second year of study. There does not therefore appear to be any alteration in the principle of the rule. The conditions imposed by the subscribers to the Grose Memorial Prize fund were (1) that the prize should be called the Grose Memorial Prize, and (2) that it should be “awarded to the female student of the Medical College standing first in the first college examination for the degree of Medical Practitioner”—*vide* Mr. Cardew's letter on page 2 of G.O., No. 704, Educational, dated 10th November 1898.

4. The question for consideration now is whether under the conditions imposed by the subscribers the Government can make the alteration in the rules proposed by the Director. If it is held that they cannot, for fear that they might thereby vary the terms of the trust, the Director may be asked to submit under section 6 of the Charitable Endowments Act, 1890, a joint application by himself and the Principal of the Medical College (the Administrators of the fund) to vest the fund in the Treasurer of Charitable Endowments and to settle a scheme for its administration.

P. T. THARYAN—15-6-06.

The proposed change does not seem to affect the original conditions materially and perhaps therefore the change may be sanctioned by Government.

Sir,

Rule 2 of the rules for the award of the
Grose Memorial prize sanctioned in G.O. No. 96 Educational d/
18th February 1899 requires that the prize should be awarded on
the results of the First Examination for the Apothecary grade
conducted by the Board of Examiners, Medical College. The
Government of India Notification No. 961 Public dated 3rd
November 1905 republished in the Supplement to the issue of the
Fort Saint George Gazette dated 21st idem, having, in the case of
Military pupils of the Assistant Surgeon grade, replaced the
first and second Board examinations by examinations conducted
under the direction of the Principal, ^{the Principal} Medical College, proposed
that the first and second examinations of the Colonial
apprentices and female students who pursue the same course of
instruction be also conducted by the college staff and this

proposal was, with the concurrence of the Surgeon-General, approved by me. This necessitates a change in rule 2 of the rules for the award of the prize and I have the honour to recommend that it be modified as below:-

Recommending an alteration in the rule 2 of the rules regarding the award of the Grose memorial Prize

Rule 2 of the rules for the award of the Grose memorial prize runs as follows:-

"The prize shall be in the form of books or of surgical instruments, or of a medal and shall be awarded, on the recommendation of the ^(Medical) College Council, to the female student who secures the highest place at the first examination for the Apothecary grade".
