The Director of Public Instruction proposes
an electric installation for lights and fans in the
Presidency and Engineering Colleges, and for the
residence of the Principal, Engineering College.
The Principal would, presumably, be charged some
small rent. His house is at present rent free.

submitted that the punkah pulling establishment at
the Presidency College should be placed on a tem-
porary basis. There is no need to employ the esta-
blishment permanently throughout the year, includ-
