NOTES CONNECTED WITH G.O., No. 456, EDUCATIONAL, DATED 28th JUNE 1906.

[Subject.—*Report on the working of the Lawrence Asylum, Ootacamund, during* 1905.]

From the Director of Public Instruction, dated 16th June 1906, *No.* 2488.

Except that the year under report was a comparatively unhealthy one and that the finances of the Female Branch are not in a satisfactory condition the report seems to contain nothing special.

2. The accounts of the Female Branch opened with a deficit balance of Rupees 3,431-12-9 and closed with a deficit balance of Rs. 2,053-15-0, page 7 of the report. The deficit was further reduced to Rs. 205 on 31st March 1906—letter of the Principal and Secretary, dated 25th April 1906, printed with G.O., No. 349, Educational, dated 17th May 1906. In G.O., No. 290, Educational, dated 24th April 1906, the Committee was asked to submit proposals for retrenchment so as to provide financial equilibrium in the case of this Branch but in view of the above improvement in the finances of the Branch, the Committee thought that there was no necessity to consider the question of retrenchment at present—letter of the Principal and Secretary printed with G.O., No. 349, Educational, dated 17th May 1906.

3. The Male Branch closed with a credit balance of only Rs. 2,378-3-2, page 4 of the report, but this Branch had on 31st March 1905 deposits in the Post Office Savings and Madras Banks amounting to Rs. 10,000 in addition to its funded capital (Rs. 5,10,100)—page 7 of G.O., No. 465, Educational, dated 7th July 1905.

4. The accounts accompanying the report are for the calendar year while the budget estimate and the balance sheet prepared by the auditor are for the financial year.

5. The report may be recorded ? Please see draft placed below.

OOTACAMUND LAWRENCE ASYLUM,

FOR

1905.

PREFACE.

THE Lawrence Asylum at Ootacamund was founded during 1858 in honour of the memory of Sir Henry Lawrence, K.C.B., by whom the establishment at some Hill Station, within the Madras Presidency, of an Institution similar to the Lawrence Asylum at Sanawar, had been suggested.

The Asylum at Ootacamund was managed by a Committee of gentlemen residing at that place, and was supported by donations and subscriptions from the general public; but as these proved inadequate to its maintenance, it was adopted by Government in 1860, and allowed a Grant-in-Aid.

The Madras Military Male Orphan Asylum and the Madras Female Orphan Asylum were amalgamated with the Lawrence Asylum, the former on the 1st September 1871, and the latter on the 1st October 1904, the united Asylums being designated the Ootacamund Lawrence Asylum.

The Lawrence Asylum is situated at Lovedale, 3 miles from Ootacamund, on the summit and centre of the Nilgiri Hills in the South of India, within the Presidency of Madras. It lies between the 11th and 12th degrees of North Latitude, and the 76th and 77th degrees of East Longitude, on the confines of the Provinces of Coimbatore and Malabar, at an elevation of 7,330 feet above the mean level of the sea, being 1,312 feet below Dodabetta, and 103 feet above the lake at Ootacamund, and 1,470 feet above the Barracks at Wellington. The mean annual temperature of the *air* at Lovedale is 58°; the mean maximum is 68°; the mean minimum is 48°; the mean annual range 16°. On or near the ground, however, water freezes nearly every night for three months in the year.

The school buildings and grounds cover 730·76 acres.

The following Table exhibits the mean temperature of the air at Calcutta, Bombay, Madras, London and Ootacamund, for January, April, July and October:—

Rules regulating the Constitution and Working of the Lawrence Asylum, Ootacamund.

Fort St. George, December 22, 1900, *and G.O,. No.* 513, *Educational, 27th July* 1905.

No. 4—1. The following code of rules relating to the constitution and working of the Lawrence Asylum, Ootacamund, has been sanctioned by Government, and shall have effect from 1st January 1901.

In these rules the term "Eurasian" shall be restricted to the children of European fathers by Eurasian or native mothers, and of Eurasian fathers and mothers of whom both are the children of Europeans.

OBJECT.

2. The object of the institution, which shall consist of a male and a female branch, is to secure for European and Eurasian children of the classes specified in rule 39 a healthy and invigorating climate, to remove them from objectionable surroundings, to afford them secular and religious education, and to train them to earn a livelihood.

CONTROL.

3. The management of the Asylum shall be vested in a committee, consisting of the Colonel on the Staff, Commanding the Southern Brigade as *ex-officio* chairman, the Collector of the Nilgiris as *ex-officio* vice-chairman, the Senior Medical officer, Wellington, the Superintendent of the cordite factory, Wellington, the Commandant of the depôt at Wellington, the Civil Surgeon, Ootacamund, and two other to be appointed by Government either by office or by name as official members, and three non-official members resident at Ootacamund, and elected by the committee. The committee shall be directly responsible to Government for the administration of the asylum, and shall carry out all the orders of Government relating thereto. The Principal shall ordinarily be the secretary to the committee; but if the Principal be not a clergyman of the Church of England, a clergyman of that Church shall be appointed as chaplain, and the committee may empower the latter to perform the duties of secretary, and, with the sanction of Government, fix his remuneration as chaplain and secretary and define his duties in relation to those of the Principal.

4. A meeting of the committee shall be held every month for the transaction of business. Three members shall form a quorum. In the absence of the chairman and the vice-chairman, the committee shall elect its own chairman.

5. Any three members shall have the power of convening an extraordinary meeting on giving the chairman, or, in his absence, the vice-chairman, through the secretary, one week's notice.

6. A non-official member may at any time resign by giving notice, in writing, to the chairman, or, in his absence, the vice-chairman, through the secretary. He shall also be held to have vacated his appointment if he ceases for a period of three consecutive months to reside at Ootacamund, or if he fails to attend three consecutive meetings of the committee. The committee shall supply any vacancy which occurs and report the appointment to Government.

7. The chairman, or, in his absence, the vice-chairman, shall have power to defer declaring a resolution to have been carried, until he shall have obtained in writing the opinion, on the point at issue, of members who may have been absent from the meeting.

8. All letters to Government shall be passed by the committee and shall be signed by the chairman or the vice-chairman, or, during the absence of both from head-quarters, by the secretary for the chairman, and shall be submitted through the Director of Public Instruction.

9. The committee shall, at each monthly meeting, appoint two of their members to visit the institution during the ensuing month. These shall record any remarks they may have to make in a book provided for that purpose. The book shall be laid on the table at each monthly meeting.

10. The committee shall elect six ladies resident in Ootacamund as visitors, two of whom shall be appointed at each monthly meeting to visit the female branch during the ensuing month. These shall record any remarks they may have to make in a book provided for that purpose. This book shall be laid on the table at each monthly meeting.

STAFF.

11. The Principal shall be appointed by Government on the nomination of the committee, to which he shall be directly responsible and subordinate. All other appointments shall be made by the Principal, subject to the confirmation of the committee. The approval of the inspector or the inspectress, as the case may be, shall be obtained before the appointments of teachers are confirmed.

12. The Principal, besides possessing suitable educational and administrative qualifications, shall be a member of the Church of England and a clergyman. If, however, at any time, a duly qualified clergyman is not available, a military officer, who is a member of the Church of England, may be appointed.

13. Government may dispense with the services of the Principal at any time on giving him six months' notice or six months' salary in lieu of notice. Before resigning his appointment, the Principal shall give six months' notice, unless a shorter notice be accepted by Government.

14. The Principal shall perform such duties as may be enjoined on him by the committee. He shall be responsible for the moral and intellectual

training of the pupils. If a clergyman, he shall have pastoral charge of the institution. He shall be the executive officer of the committee and shall be held responsible for the accounts; and he shall make all necessary disbursements, subject to the provisions of rule 62. He shall communicate with the chairman, or, in his absence, with the vice-chairman, either directly or through the secretary, if there be a separate secretary, on all important matters which cannot be conveniently postponed to the next meeting of the committee and shall generally be immediately subordinate to the chairman or vice-chairman as representing the committee.

15. The Principal or the chaplain specially appointed by the committee under rule 3 shall, besides performing all such religious services as he may be required to perform by the committee with the sanction of Government, give religious catechetical instruction to all the pupils, except such as are exempted by these rules.

16. The headmaster shall superintend the tuition in the male branch, and take such part in the teaching as the Principal may direct.

17. The headmistress shall superintend the tuition in the female branch, and take such part in the teaching as the Principal may direct. She shall also be responsible for the moral and intellectual training of the girls, who shall be subject to her control, both in and out of school.

The authorized version of the Bible shall be used, and the main truths of Christianity shall be taught without allusion to controverted points of faith and practice. C. No. 1021 From the D.P.I. No. 2488, dated 16-6-1906.

SUBJECT.

Report on the working of the Lawrence Asylum, Ootacamund, during 1905

Except that the year under report was a comparatively unhealthy one and that the finances of the Female Branch are not in a satisfactory condition the report seems to contain nothing special.

2. The accounts of the Female Branch opened with a deficit balance of Rs 3431-12-9 and closed with a deficit balance of Rs 2053-15- page 7 of the report. The deficit was further reduced to Rs 205 on 31st March 1906 = Letter of the Principal and Secretary dt 25th April 1906 printed with G.O. No 349 Edl dt 17th May 1906. In G.O. No 290 Edl dt 24th April 1906 the Committee was asked to submit proposals for retrenchment so as to provide financial Equilibrium in the case of this Branch but in view of the above improvement in the finances of the Branch the Committee thought that there was no necessity to consider the question of retrenchment at present. Letter of the Principal and Secretary in G.O. No 349 Edl dt 17th May 1906.

3. The Male Branch closed with a credit balance of only Rs 2378-3-2 on 31st March 1905 — page 4 of the report. but the Branch had deposits in the Postoffice Savings and Madras Banks amounting to Rs 10000 in addition to its funded Capital (Rs 5,10,100) — page 7 G.O. No 485 Edl dt 7th July 1906.
