EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 480, EDUCATIONAL, DATED 14TH JULY 1906.

[SUBJECT.—*Establishment in the Breeks' Memorial School at Ootacamund.*]

What establishment has been given to Mr. Steele? He must have at least an assistant master. Apparently he is expected to do all the teaching. I never understood that the existing staff of assistant masters was to be abolished, if this is so.

2. Of course there may at present be few pupils, but unless there is a staff, none will enter. There must be loss—perhaps considerable—before the school is set on its legs, but we have given it a chance.

G. S. F[ORBES]—28-2-06.

Mr. Steele has been given only a drawing master on Rs. 15 per mensem—*vide* proposition statement on page 3 of G.O., No. 832, Educational, dated 18th December 1905.

In paragraph 5 of his letter on page 4 of G.O., No. 517, Educational, dated 28th July 1905, Mr. Braithwaite thought that a headmaster with a "munshi and drawing teacher" on Rs. 15 would be sufficient at first and that "with the growth of the school the necessity for other teachers would arise". In the Government Order mentioned "Mr. Braithwaite's proposals were generally approved".

P. T. THARYAN—1-3-06.

H. D. TAYLOR—1-3-06.

No school can "grow" without a proper establishment. What parent would think of sending his children to an incompletely equipped school! There must be considerable loss until the school has time to establish itself.

2. I spoke to the Director of Public Instruction the other day. He agreed. He is visiting Ootacamund this or next week and will look into the matter.

G. S. F[ORBES]—2-3-06.

The further communication from the Director of Public Instruction will be awaited.

H. D. TAYLOR—3-3-06.

From Mr. S. A. Steele, dated 16th June 1906, No. 21.

This is not the first occasion on which Mr. Steele has addressed Government direct. He should have submitted any proposals he has to make through the Inspector, European Schools, and the Director of Public Instruction in the usual course.

2. Mr. Steele no doubt *does* require an assistant if he has to teach seven classes; but Government have no information as to the numbers at present attending the Breeks' school.

3. In any case it is not understood why a lady assistant is required in the school. The proper course appears to be to appoint an assistant master. When sanction to the appointment is obtained, the nomination will vest in the Director of Public Instruction.

4. Mr. Steele's letter will be referred to the Director of Public Instruction for the necessary action.

5. This note may go *u.o.* to the Director of Public Instruction apart from the reference. He will be requested to issue instructions to Mr. Steele to see that the proper channels of communication are duly observed.

EDUCATIONAL DEPARTMENT.

From the Director of Public Instruction, dated 23rd June 1906, No. 3910.

The Director of Public Instruction submits a proposition statement for the employment in the Breeks' Memorial school of—

- A { (1) an Assistant Teacher on Rs. 75,
(2) a European Gymnastic Instructor on Rs. 25 and
(3) a sweeper and night watchman on Rs. 8.
The additional cost is Rs. 108 per mensem or Rs. 1,296 per annum.

The Director of Public Instruction also submits a reappropriation statement.

2. The Accountant-General says that both should be sanctioned in the Financial Department, but proposition statements are now sanctioned in the administrative departments concerned with the concurrence of Financial.

3. The draft placed below may issue with the concurrence of Financial. That department has to fill up the blank in paragraph 1 of the draft and subsequently to sanction the proposed reappropriation, but the provision of Rs. 1,413 for schools transferred from the Central Provinces, from which it is proposed to reappropriate, is not separately shown in the budget. Further information may, if necessary, be called for after the proposition statement is sanctioned.

P. T. THARYAN—7-7-06.

The proposals at "A" may be accepted. The Director of Public Instruction considers that a female teacher may be employed, and that this will be a satisfactory arrangement for the younger pupils.

Through the Accountant-General/

I have the honour to request that you will be so good as to obtain the sanction of Government to the following appointments in the Breek's Memorial School, Ootacamund with effect from 1st July next.

- (1) One Assistant teacher on Rs 75/- per mensem.
- (2) One European Gymnastic Instructor on Rs 25/- per mensem.
- (3) One sweeper and night-watchman on Rs 8/- per mensem.

2. There are now 16 pupils in the school arranged in seven different classes and the Headmaster expects some more in the next term. It is impossible for him to teach single-handed a school of this kind; and I am convinced that an

Subd 17

Assistant teacher is necessary. A suitable man cannot be had for Rs 75/- a month : but a female teacher could be obtained for that salary and this will be a satisfactory arrangement for the younger pupils. Mr. Stone is of opinion that the boys should be subjected to regular military drill if the school is not to fall below the standard fixed by the Code of Regulations for European Schools . I agree with him and I am informed that a suitable European Drill Instructor cannot be had for less than Rs 25/- a month.

A sweeper is also necessary for obvious reasons who might be night-watchman as well. Rupees 8 is the lowest salary for which the Headmaster says he can secure the services of a man willing to do both the duties.

3. The usual proposition statement is submitted as also a reappropriation statement.
