Station Madras, Dated the 7 July 1906

From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc., F.R.S.,

(Designation) Director of Public Instruction.

M a d r a s

To The Secretary to the Government of Madras,
Educational Department.

Sir,

In G.O. No. 449, Educational, dated 1st July 1905, Government sanctioned the transfer of the Government Training school in the Madura District from Madura to Dindigul. Again in their orders No. 752, Educational, dated 18th November 1905 and No. 2379W dated 7th December 1905 the Collector of Madura and the Superintending Engineer, VI Circle were respectively instructed, the former to take steps for the acquisition of a site at Dindigul and the latter to submit an estimate for acquiring the site selected. The necessary action is being taken on these orders, but it will be sometime before a building is constructed at Dindigul, and in the meantime the school must continue in Madura as no suitable building could be had for rent in Dindigul. The President of the District Board, Madura, however,

requests - and the request is supported by Mr. Chatterton - that the portion of the Technical Institute buildings now occupied by the training school in Madura should be vacated at once as more space is urgently required to carry out certain proposals in connection with the Institute. Mr Stone accordingly proposes to remove the school to another building in Madura known as Bodinaickanur Zemindar's bungalow which seems suitable in every respect. But the proposed rent is Rs. 50/- against Rs. 40/- sanctioned for the school, and I request sanction, therefore, ^{for} an additional expenditure on this account of Rs. 80 for the current official year. This may be met from the saving of Rs. 156 likely to accrue out of the rent allowance provided in the budget for the Government Training School, Nellore, for which the building now under construction is expected to be ready for occupation before ^{September} 1st next.

I have the honour to be,

Sir,

Your most obedient servant,

A. Ramanathan

For Director of Public Instruction.
