Station Madras, Dated the 14 June 1906

From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc., F.R.S.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
Educational Department.

Su,

In sanctioning a grant of Rs. 5,500 (G.O. No. 132, Educational, dated 6th March 1905) towards the cost of constructing a third storey to the building occupied by the Pachaiyappa's College, Madras, it was made a condition that the work should be completed before the 30th November 1905; subsequently Government in its order No. 760, Educational, dated 21st November 1905 extended the time up to 15th March 1906.

2. On the 10th March last an application was made for a further extension, on the ground that it had not been found possible to execute the work in time. On being asked to state in detail the reason for the non-completion of the work the Trustees explained that it had proved impossible to carry on building operations during College hours. This contingency might

might well have been foreseen, and provided against, but apparently it did not occur to the Trustees to think about it until the Principal represented to them the extreme difficulty of conducting the classes while building was going on overhead.

3. I have the honour to solicit orders as to whether in these circumstances Government will be disposed to order payment of the grant in question. As far as I can estimate the amount could be paid out of the allotment for the current year without detriment to other claims.

The work has since been completed.

I have the honour to be,

Sir,

Your most obedient servant,

E. W. Middlemast

Sir,

With reference to Memorandum No. 290 Educational
dated 25th June 1906 I have the honour to say that on the
10th March last the Trustees of the Pachaiyappa's College
applied for an extension up to April 30th, 1906, and on

C. No. 996 From the D. P. I. No. 4743 dated 14-6-1906.

SUBJECT.

Recommending the payment of the grant sanctioned in G.O. no. 132 Vol 26-3-05 towards the cost of constructing a 3rd story to the building occupied by the Pachayappa College, Madras.

C. In G.O. no. 132 Vol dated 6th March 1905, a grant of Rs 3500 was sanctioned towards the cost of constructing a third storey to the building occupied by the Pachayappa College, Madras, and it was stipulated therein, that the work should be completed before the 30th November 1905. Subsequently in G.O.

D. no. 760 Vol dated 21st November 1905, an extension up to the 15th March 1906 was granted. On the 10th of March last, the Trustees made an application for a further extension of time, on the ground that it was found impossible to carry on building operations during College hours. As the D. P. I. rightly observes, this contingency might well have been foreseen and provided against.

It is for consideration whether in the circumstances ^(this further extension can be granted and) payment of the grant ~~is~~ ^{be} ordered. It is stated that the work has now been completed.

The D. P. I. states, that so far as he could estimate, the amount could be paid out of the allotment for the current year without detriment to other claims.
