ABSTRACT.—Requesting the Director of Public Instruction to submit definite proposals for the provision of free quarters for Educational officers in accordance with the scheme approved by the Government of India.

Letter—from the Hon'ble Mr. A. G. BOURNE, D.SC., F.R.S., Director of Public Instruction.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 26th June 1906.
No.—Ref. on Cur. No. 4506.

Referring to G.O., No. 392, Educational, dated 5th June 1906, I have the honour to report as follows on the subject of the provision of free quarters for Educational officers :—

Presidency College.—The Victoria Hostel which is open to the students of this college and is not a Government institution is already provided with a house for its Warden. In addition to the provision I recommend that a grant be made to the Committee of the Hostel for erecting quarters for a Deputy Warden who should be a Brahmin member of the staff of the college.

Rajahmundry College.—The college is located in the heart of the town and the Principal could not be expected to live near it. A hostel is about to be built and arrangements may be made for the construction, as a part of the hostel scheme, of a house for a native Warden who will be a member of the college staff.

Kumbakónam College.—The hostel buildings attached to this institution contain a house for a native member of the staff and I recommend that a house near the college be provided for the Principal.

Mangalore College.—There is at present no hostel attached to this college. Proposals in regard to a house for the Principal or houses for the Principal and one of his assistants may be deferred.

College of Engineering.—The Principal is allowed quarters free of rent. The students reside in the Victoria Hostel about which I have made proposals in connection with the Presidency College.

Medical College.—A hostel should be erected and the provision for some members of the staff should form part of the hostel scheme.

Teachers' College.—There is already a house for the Vice-Principal. No further action need be taken at present.

Law College.—It seems very doubtful whether any action of this nature need be taken in connection with this institution.

Order—No. 500, Educational, dated 27th July 1906.

Orders will issue in the Public Works Department for the preparation of plans and estimates—

(1) for quarters for a native Warden for the Metcalfe Students' Hostel in connection with the Rajahmundry College, and

(2) for quarters for the Principal of the Kumbakónam College.

2. The Committee of the Victoria Students' Hostel will be requested to state whether in case the Government provide residential quarters in connection with the hostel for a Brahmin member of the staff of the Presidency College the Committee will be prepared to appoint him Deputy Warden of the hostel.

NOTES CONNECTED WITH G.O., No. 500, EDUCATIONAL, DATED 27TH JULY 1906.

[SUBJECT.—*Provision of free quarters for Educational officers.*]

From the Director of Public Instruction, dated 26th June 1906, *No.* 4506.

With reference to G.O., No. 392, Educational, dated 5th June 1906, the Director of Public Instruction submits the following proposals regarding the provision of free quarters for Educational officers :—

(*a*) That a grant may be made to the Committee of the Victoria Hostel for erecting quarters for a Deputy Warden who should be a Brahmin member of the staff of the Presidency College.

(*b*) That arrangements should be made for the construction of a house for a Native Warden of the hostel about to be built in connection with the Rajahmundry College, such warden being a member of the staff of the college.

(*c*) That a house near the Kumbakónam College may be provided for the Principal of the College in addition to the one now existing in connection with the College hostel for a native member of the staff.

2. The Director further states that proposal for a house for the Principal of the Mangalore College may be deferred as there is no hostel attached to that college at present. The Principal of the Engineering College has a house free of rent. Proposals for the provision of quarters in connection with the Medical College will, the Director of Public Instruction says, form part of the hostel scheme for that college. In connection with the Teachers' College there is already a house for the Vice-Principal and this is considered sufficient. The Director of Public Instruction also expresses his doubt as to whether any such proposal is necessary in the case of the Law College.

3. It will thus be seen that immediate action is necessary only in the case of the Presidency, Rajahmundry and Kumbakónam colleges, and that in connection with the Presidency and Rajahmundry colleges the original proposal to have quarters provided for the Principals has been given up.

Paragraphs 5 and 6 of the Director's letter on page 4 of G.O., Nos. 299-300, Educational, dated 8th May 1905.

P.R.—5-7-06.

P. T. THARYAN—5-7-06.

C. A. SOUTER—5-7-06.

The Director of Public Instruction's proposals may be accepted. Though India at the close of paragraph 4 of their letter read in G.O., No. 300, Educational, dated 8th May 1905, asked that the cost might be indicated, they have not promised to bear any portion of the cost and apparently leave the provision of funds to the local Government.

H. D. TAYLOR—6-7-06.

Where is the money to come from ?

G. S. F[ORBES]—7-7-06.

The works will, presumably, be provided for in the Public Works budget as funds become available?

H. D. Taylor—9-7-06.

Submitted yes. Whatever buildings it may be decided to erect as quarters for Educational officers will be constructed out of the ordinary grant for public works.

Submitted that if the Government of India do not sanction any grant to Provincial revenues to meet the expenditure on the construction of quarters for Educational officers, — the Government of India have not announced their decision in the matter one way or the other — the cost should be borne by Provincial funds according to the ruling in article 1336 of the Civil Account Code which lays down—

Why should we expect a grant?
C. M. Schmidt.

Home Department letter Nos. 319—331, dated 16th May 1906, in G.O., No. 392, Educational, dated 5th June 1906.

> "The question whether a charge or receipt is Provincial or Imperial must, in case of dispute "or doubt, be determined solely with reference to the head in the accounts under which such "charge or receipt should properly be classified. Expenditure coming under a head which is "either wholly Imperial or wholly Provincial, or in fixed proportions partly Imperial and partly "Provincial, should be borne, accordingly either wholly by Imperial or wholly by Provincial, or "by Imperial and Provincial in the proper proportion, without reference to its effect on revenue. "A Local Government must accept, without remonstrance, any charge which under the rules in "force should be recorded, under any Provincial head of account, in the accounts of its Presidency "or Province; and must not raise objections on such grounds as that the charge has originated "outside the Presidency or Province, or that the Presidency or Province is not interested in it, "or the like."

V.G.K.—13-7-06.

Plans and estimates have yet to be framed. The quarters will form a charge on the Public Works Department budget and should, it is submitted, take their chance of allotment when that budget comes under review next year; it is unlikely that funds will be required this year. It will be for Educational to keep the matter in view but we may also note this claim in our "Claims Register."

Yes.

The Public Works Department may be asked to prepare plans and estimates for the building specified in connection with the Rajahmundry and Kumbakónam Colleges, viz., a house for a Native Warden to be attached to the hostel at Rajahmundry, and a house for the Principal, Kumbakónam College.

2. As to the quarters for the Deputy Warden of the Victoria Hostel attached to the Presidency College, the Director of Public Instruction points out that the hostel is not a Government institution and that the quarters should be provided by means of a grant to the Committee. Perhaps it would be better to ask the
A | Committee in the first instance whether they are prepared to accept the arrangement, if Government provide the quarters.

Page 9 of annexure to letter, No. 1182, Financial, dated 30th December 1901, shows grants already made to this institution.
