G.O., No. 225, Educational, dated 27th March 1906.

ABSTRACT.—Informing the Honorary Secretary to the League of the Empire, that the Government are unable to promise any active assistance in the preparation of text-books of history and that Sir W. Lee-Warner's "Citizen of India" which has been prescribed as a text-book in the public schools in this Presidency meets in some degree the want of a text-book of the kind contemplated by the League.

Letter—from Mrs. E. M. ORD MARSHALL, Honorary Secretary of the League of the Empire.

To—the Secretary to the Government of Madras, Educational Department.

Dated—the 4th July 1906.

I beg to acknowledge your letter No. 225, dated the 27th March and to thank you for the information you have given us in respect to the text-book "Citizen of India" by Sir William Lee-Warner.

The scheme which the History Committee has in hand at present is a three graded set of text-books on the history and conditions of the Empire. A small Editorial Committee for these books has been appointed and the gift of money needed for their production has been placed in the hands of the League by Mr. Louis Spitzel and the work will be taken in hand at once.

The Committee hope that you will permit them to communicate with you from time to time and to have your advice in matters that may be dealt with connected with India.

The whole proceeds of the books will be devoted to education in the different countries of the Empire as notified in the circular letter of January 10th.

Letter—from H. D. TAYLOR, Esq., I.C.S., Acting Secretary to the Government of Madras, Educational Department.
