D. Bourne has already received permission -

de facto, to accept the post of President

largely having subsequent uses as remuneration.

It is not known how his position will be affected
by his proposed leave from Aug 31st.

2. No information has been furnished

3 5
by the Subar. as to the amount of work involved,
of the remuneration proposed to be paid on the
period for which the appointments are expected
to last - apparently for one session only.

It is proposed to hold the examinations
in November. It seems therefore clear that
Dr Bourne will not be able to attend.
However he may be left to say so himself
when approached by the Subar.

3. The permission may be granted, but the
