Despatch—from The Right Hon'ble John Morley, His Majesty's Secretary of State for India.
To—His Excellency the Right Honourable the Governor-General of India in Council.
Dated—India Office, London, the 29th June 1906.
No.—86-Public.

With reference to your Home Secretary's letter No. 10 (Education), dated the 3rd May, I forward, for the information of Your Excellency in Council, a copy of a letter from the Board of Education, dated the 16th June, regarding their procedure in future respecting the registration of teachers.

Enclosure.

Letter—from W. N. Bruce, Esq., Secretary, Board of Education.
To—the Under Secretary of State for India.
Dated—London, the 16th June 1906.
No.—S-3906.

With reference to Sir C. Lyall's letter of the 24th ultimo (J. and P. 1473), I am to state for the information of the Secretary of State for India in Council, and for communication to the Government of India, that the information forwarded has been considered, and that it appears that the United Free Church of Scotland Girls' Boarding School, Bombay, does not reach the standard required for recognition. The Board have, therefore, decided not to recognise the school for the purposes of sections 3 (3) and 4 of the Teachers' Registration Regulations, and the Teachers' Registration Council are being notified accordingly.

I am to draw attention to the following section relating to the Teachers' Register contained in the Education (England and Wales) Bill now before Parliament.

"*Section* 36.—Any obligation to frame, form or keep a register of teachers under paragraph (*a*) of section 4 of the Board of Education Act, 1899, shall cease."

It will be noticed that the discontinuance of the Teachers' Register would not be a necessary consequence of the section becoming law. It is to be observed at the same time that, if the register should be discontinued, recognition for the Teachers' Registration Regulations would cease in consequence, as the Registration Regulations are framed for forming and keeping the register. While the position of the register remains undecided, the Board are ready to consider schools for recognition in connection with the Teachers' Registration Regulations, if desired; but under the circumstances recognition for purposes of the regulations is not being given at present for a period beyond December 31st next.

No. 514, *dated* 28*th July* 1906.

Copy forwarded to the Government of Madras for information, in continuation of the Home Department letter No. 464, dated the 7th June 1904.

W. S. Marris,
Dy. Secy. to the Govt. of India.

Order—No. 537, Educational, dated 13th August 1906.

G.O., No. 456, Educational, dated 19th September 1903.
G.O., No. 381, Educational, dated 20th June 1904.
G.O., No. 409, Educational, dated 4th July 1904.
G.O., No. 713, Educational, dated 3rd December 1904.

With reference to the marginally noted Government Orders the attention of the Director of Public Instruction is drawn to the following clause relating to the Teachers' Register contained in the Education (England and Wales) Bill now before Parliament :—

"36. Any obligation to frame, form or keep a register of teachers under paragraph (*a*) " of section 4 of the Board of Education Act, 1899, shall cease."

2. Although the discontinuance of the Teachers' Register would not be a necessary consequence of this clause becoming law, it is to be observed that, if the register should be discontinued, recognition for the Teachers' Registration Regulations would cease, as the Registration Regulations are framed for forming and keeping the register. The Board of Education, London, have therefore intimated that, while they are ready to consider applications for recognition in connection with the Teachers' Registration Regulations for the period during which the position of the register remains undecided, recognition for the purposes of the regulations is not being given at present for a period beyond 31st December next.
