To—the Secretary to Government, Educational Department (through the Accountant-General).
Dated—Madras, the 2nd August 1906.
No.—Ref. on Cur. No. 5165.

I have the honour to request that you will be so good as to obtain the sanction of Government to the opening of a Government Girls' school at Tuni in the Gódávari district with effect from 1st March next.

2. A girls' school under private management has been in existence in the station since 1902 and been doing good work. But now on account of the withdrawal of the local support which it has till now received it is threatened with closure. As Tuni is a large and important station where there should be provision for female education, I beg to recommend the taking over of this school by Government, or what would practically come to it, the opening here of a new school by Government.

3. The school may commence work with three teachers on Rs. 12, 10 and 10, the lowest of the scales of establishment adopted in connection with the reorganization of girls' schools. The usual proposition statement is submitted and the necessary provision will be made in the budget estimates for 1907–1908. The following additional charges will also have to be incurred ; bnt provision for them will be made under contingencies :—
