Respected Sir

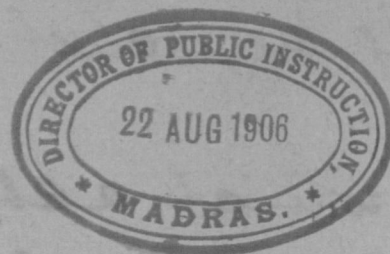

I beg to bring the following
to your kind consideration.

That in February last
I put in an application through the
Inspector of Technical Schools Madras
for a Supreme Government Scholarship
for Training and beg to state that I
have not received any information regarding
the same. I underwent six (6) months
training in Chrome Dyeing in the
Madras School of Arts and have been in
touch with the industry for the last
eight and a half months. I am at a loss
to see that I have been kept in suspense
for a long time.

That I beg to know what
consideration is given to my application.

In addition to my last
application I beg to say that though
I am a native of Coorg where very little
encouragement for industrial or technical
education is given I received my education
in Madras and have been here for
