Sir,

A.

In their order No. 607, Educational, dated 2nd October 1902 Government while approving the proposals for the re-organization of the Hobart Muhammadan girls' school, observed that the necessity for the entertainment of two gardeners should be established. On this it was stated in the proposition statement embodying these proposals that the appointment of only one gardener was proposed and that Government would be addressed again if experience showed that a second gardener was necessary. It is now seen that this single gardener is unable to attend to all the garden duties including among the rest the watering of the plants, their weeding and transplanting, the trimming of the hedges and grass plots and above all the keeping of the extensive compound

clean which contains many trees shedding their leaves on the ground. I have the honour therefore to request that Government may be pleased to sanction the entertainment with effect from 1st March next of an additional gardener on Rs. 5 a month.

2. A proposition statement for the appointment is submitted and the necessary provision will be made in the budget estimates for 1907-1908.

It is an important factor in the training that the premises should be properly kept.

I have the honour to be,

C. No. 1328 From the D. P. I No. 5465, dated 6- 8 - 1906.

SUBJECT.

Appointment of an additional gardener on Rs 5 in the Hobart Muhammadan Girls' School, Madras.

In August 1902 the late Mr. Stuart submitted proposals for re-organizing the Hobart Muhammadan Girls School and among the proposals there was one to employ two gardeners - one on Rs 6 & the other on Rs 5. In regard to this proposal the Govt. G.O. No. 207 Edl dt 12-10-02

A.

~~While considering the proposals of the D.P.I for the reorganization of the establishment of the Hobart Muhammadan Girls' School, Madras, the Govt:~~ observed that "the necessity for the entertainment of two gardeners should be established".} In other respects the proposals were ~~The present establish~~ sanctioned. The Director accordingly gave up the gardener on Rs 5. The present establishment of the School will be found on pages 5 & 6 of G.O. No. 521 - Edl dt 31- 7- 05. There is only one gardener on Rs 6. The D.P.I. ~~in accordance with the observation of Government quoted above, tried if he could manage with one gardener". But he~~ now reports that "this single gardener is unable to attend to "all the garden duties including among the rest the "watering of the plants, their weeding & transplanting, "the trimming of the hedges and grass plots and above "all the keeping of the extensive Compound clean......" He therefore requests that an additional gardener on Rs 5 p.m may be Sanctioned. The proposal, if sanctioned, is to take effect from 1st March next and will bring about an additional expenditure of Rs 60 a year. The A.G. thro' whom the proposition statement is submitted states that there is no audit objection to the proposal being sanctioned.

It would be good for the pupils to do some gardening

17/8/06

I do not think that the Asst. Secy's. suggestion is practicable. The gosha principle is strictly observed in regard to all these girls, and there was some trouble a short time back on the subject. They could hardly be asked to assist in weeding the garden, watering the plants or collecting fallen leaves.

2 The proposal may be approved as D.P.I. appears to be satisfied of its necessity; but it is undesirable to have more men than are absolutely necessary about the place.
