Ootacamund,

Through the Officer Comdg. Divisional Supply, 9th Division.

From

Mr. R. K. Brown,
6th grade Clerk, S. & T. Corps,

To

The Secretary to Government of Madras,

Ootacamund.

Sir,

Adverting to the notification that appeared in the Supplement to Part I-B of the Fort St. George Gazette, dated the 6th February 1906, I respectfully beg to submit this my application for one of the Scholarships therein referred to: the particular branch which I wish to prosecute my study in is that of tanning, having had a practical experience of 13 years in it. If I should be so fortunate as to be given the Scholarship, I shall do my utmost to give entire satisfaction, I am at present employed as a clerk in Supply and Transport Corps, but as I wish to give up the clerical line and take to a trade, and as Government have been pleased to lay open a scheme for the education of students in England in view to the furtherance of Indian Industries, I beg that my candidature for one of the scholarships may be favourably considered; on my returning to India after the completion of the course, I will devote myself to the industry of tanning either by joining one of the factories in India or by starting a business of my own.

2. I fulfill all the conditions laid down in para 8 of the notification and attach copies of testimonials from the various Officers under whom I have served.

I beg to remain, Sir,
your most obedient Servant,

R. K. Brown

C. No. 1707, From the Mr. R. K. Brown, No. ~, dated 11-10-1906

No. _____, dated _____ 190_____

Miss

With reference to his application for a technical scholarship dated the 14th October 1906, Mr. ^{John} Brown is informed that Technical Scholarships are ordinarily granted only to graduates ^{(who have taken} ~~the~~ ^{the} advanced Chemistry as their optional subject.

The Govt do not consider that
such exceptional circumstances
exist in this case as to justify
a departure from the ordinary
rule. Her application must
therefore be rejected.
