Letter—from the Hon'ble Mr. T. T. Logan, B.A., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department (through the Accountant-General, Madras).

Dated—the 21st September 1906.

No.—Ref. on Cur. No. 5768.

I have the honour to request that you will be so good as to obtain the sanction of Government for the Hindu Girls' school at Védáranniyam in the Tanjore District being taken under Government management with effect from 1st March next and for the necessary provision being made in the budget estimates for 1907–1908.

2. One M.R.Ry. Pichai Pillai, a retired Tahsildar, impressed with the need there was for providing for the education of the girls in the locality, started sometime back a girls' school there and provided it with a building at a cost of Rs. 450 nearly and furniture and books costing Rs. 70. He now declares his inability to continue to carry on the school as he can no longer afford to meet the entire cost of its upkeep approximating Rs. 200 annually, and it would appear from the reports received that no pecuniary assistance is forthcoming locally. Being anxious that the school should continue to exist he offers to make over to Government unconditionally the building and the furniture in use, if the Department will take over its management. I am of opinion that the Manager's offer may be accepted especially as there are in Védáranniyam 366 girls of school-going age and as the school is already 44 strong.

3. If the proposal is approved the school may begin work with a staff of three teachers on Rs. 12, Rs. 10 and Rs. 10 and a watcher on Rs. 5. The following additional items of expenditure will also have to be incurred, but provision for these will be made under contingencies:—

(1) Conductress on Rs. 2 per mensem.
(2) Sweeper and scavenger Rs. 2 per mensem.
(3) Library allowance Rs. 6 } a year.
(4) Prize ,, ,, 12 } a year.
(5) Contingencies ,, 6 } a year.

In forwarding the enclosed proposition statement received with Ref. on C. No. 5768, dated 21st September 1906, from the Director of Public Instruction, I have the honour to state that the entries in the column "Present scale" are nil.

2. There is no audit objection to the proposal being sanctioned by Government.

3. A copy of the proposition statement should be forwarded to this office for record if the proposal is sanctioned.

Order—No. 707, Educational, dated 3rd November 1906.

The proposal of the Director to take the Hindu Girls' school at Védáranniyam in the Tanjore District under Government management with effect from 1st March 1907 is approved, provided that M.R.Ry. Pichai Pillai is prepared to and does execute a formal deed transferring to Government absolutely and unconditionally the school building and furniture which he has so generously offered.

2. It appears unnecessary to engage a watcher exclusively for the school and his appointment will be omitted from the proposition statement submitted by the Director. The statement as thus revised is sanctioned and the sanction is registered as No. 9 of 1907–1908.

NOTES CONNECTED WITH G.O., No. 707, EDUCATIONAL, DATED 3rd NOVEMBER 1906.

[Subject.—*Requesting that the Hindu Girls' School at Védáranniyam, Tanjore District, may be taken under Government management.*]

From the Director of Public Instruction, dated 21st September 1906, *No.* 5768.

One M.R.Ry. Pichai Pillai, a retired Tahsildar, impressed with the need there was for providing for the education of the girls of Védáranniyam, Tanjore District, started a girls' school and provided it with a building at a cost of Rs. 450 nearly and furniture and books costing Rs. 70. He now declares his inability to maintain the school any longer and offers to make over to Government unconditionally the building and the furniture if the department will take over the school under its management.

2. The Director of Public Instruction is of opinion that the manager's offer may be accepted especially as there are in Védáranniyam 366 girls of school-going age and as the school is already 44 strong.

3. The following is the establishment proposed :—

	RS.
One headmaster	12
One first assistant	10
One second ,, ...	10
One watcher	5
Total ..	37 per mensem or Rs. 444 a year.

Besides this the following additional expenditure is proposed to be met from contingencies :—

One conductress	2	per mensem.
One sweeper and scavenger	2	,,
Library allowance	6	a year.
Prize allowance	12	
Contingencies	6

That is to say, the total expenditure on account of the school will be Rs. 516 a year.*

4. The Accountant-General, through whom the proposition statement is submitted, states that there is no audit objection to the proposal being sanctioned. Under these circumstances it is for consideration whether the proposal may be sanctioned and, if sanctioned, whether the Director of Public Instruction should be specially asked to obtain from M.R.Ry. Pichai Pillai a deed formally transferring the building and the furniture to Government.

P.R.—10-10-06.

The establishment proposed for the school is, with the exception of the watcher, the same as that sanctioned for the lowest grade girls' schools elsewhere—please see the Hadagalli and Kudligi schools in the Northern Circle and the Talakkad and Punnayur schools in the Southern Circle on pages 29 and 35 of the proposition statement with G.O., No. 642, Educational, dated 22nd October 1904.

In the present case the watcher on Rs. 5 may perhaps be disallowed and the proposals in other respects approved with the concurrence of Financial.

P. T. THARYAN—10-10-06.

It would be a pity to let the school go down, as apparently it supplies a need and Government gets the school building, furniture, etc., for nothing. A deed of assignment may be obtained from the manager.

H. D. TAYLOR.

2. It seems unnecessary to have a watcher exclusively for the school. School furniture is not likely to be stolen. Other things may be locked up.

C. G. MACKAY—11-10-06.

The building and furniture should be made over absolutely and unconditionally to Government. Government *might* later on find it desirable to provide a separate school building of its own, and we do not want a repetition of the Coimbatore case. Subject to this condition the proposals may be approved.

H. D. TAYLOR—12-10-06.

To the Financial Department for remarks.

FINANCIAL DEPARTMENT.

The Director of Public Instruction proposes that the Hindu Girls' school at Védáranniyam in the Tanjore district may be taken over under Government management with effect from the 1st March 1907, the necessary provision being made in the budget estimate for 1907-1908. The total *annual* expenditure involved is Rs. 516 and the Educational Department suggest that the watcher on Rs. 5 need not be employed. The annual cost is consequently reduced to Rs. 456.
