Grant-in-aid.

Approving the proposal of the Director of Public Instruction to allow payments made to salary grant institutions from Local and Municipal funds after the 1st April 1906 to stand as part payment of the grant under the new system.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following paper :—

Letter—from the Hon'ble Mr. T. T. Logan, B.A., Acting Director of Public Instruction, Madras.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 13th October 1906.
No.—Ref. on Cur. No. 5529.

Under the old Grant-in-Aid Code certain Local Fund and Municipal institutions have been in receipt of salary and rent grants from Provincial funds and certain schools under private management from Local or Municipal funds. These grants ceased to have effect from 1st April last when the new Code came into force. Payment of them was not, however, stopped immediately on the publication of the new Code, as Dr. Bourne considered it undesirable to do so until the grants payable to the latter class of schools wholly from Provincial funds under the new system were sanctioned, obviously on the ground that it would inconvenience the management financially as some time would elapse before the amount of aid under the new system could be fixed. The grants thus drawn for Local Fund and Municipal institutions and those paid from Local and Municipal Funds since 1st April last will be taken into account when proposing the Provincial contribution for education for the current year to the Local Bodies concerned. As regards grants from Local and Municipal funds paid to schools under private management, it was suggested to the Accountant-General that either refunds would have to be made by the schools to those funds or adjustments would have to be made between Provincial and Local or Municipal funds in respect of the grants drawn from those funds, and that if refunds were undesirable the sanction of Government might be sought to suspend rule 5 of the Grant-in-Aid Code in such a way as to allow payments made to salary grant institutions from Local and Municipal funds to stand as part payment of the grant under the new system. The Accountant-General prefers the latter course, and I have the honour to request that the operation of rule 5 of the Grant-in-Aid Code may be suspended in the way suggested.

Order—No. 709, Educational, dated 5th November 1906.

The Director's proposal to allow payments made to salary grant institutions from Local and Municipal funds after the 1st April 1906 to stand as part payment of the grant under the new system is approved.

NOTES CONNECTED WITH G.O., No. 709, EDUCATIONAL, DATED 5TH NOVEMBER 1906.

[Subject.—*Suspension of the operation of Rule* 5 *of the new Grant-in-Aid Code in such a way as to allow payments made to salary grant institutions from Local and Municipal funds to stand as part-payment of the grant under the new system.*]

From the Director of Public Instruction, dated 13*th October* 1906, *No.* 5529.

Under the old Grant-in-Aid Code the grants for teaching payable from Provincial funds were :—

Rule 6 (i) and 7 (ii).

"(1) grants to girls' schools and for girls ;
"(2) grants to European schools and for European pupils ;
"(3) grants to Mappilla schools situated outside Municipalities, and for Mappilla pupils in schools situated outside Municipalities ;
"(4) grants to non-poor schools in the Municipality of Madras ;
"(5) grants for the fourth and higher standards in poor schools in the Municipality of Madras ;
"(6) grants to Collegiate and Upper Secondary departments in District Municipalities ;
"(7) grants for all standards above the third in non-Municipal areas ;
"(8) grants to all schools in the Ganjám, Vizagapatam and Gódávari Agencies ;
"(9) grants to training schools ;
"(10) grants to technical and industrial schools ".

These grants were payable alike to schools under the management of Local Boards and Municipalities and under private management.

Rule 6 (ii) and 7 (ii).

2. The grants payable from Local and Municipal funds were—

"(1) grants for boys in Lower Primary standards of poor schools in the Municipality of Madras ;
"(2) grants to Primary and Lower Secondary boys' schools and for boys in the Primary and Lower Secondary standards in District Municipalities ;
"(3) grants to Lower Primary boys' schools and for boys in Lower Primary standards in non-Municipal areas ".

Rule 5.
Rule 1.

3. Under the new Grant-in-Aid Code. "Teaching grants on behalf of Elementary schools are payable from or through "Local funds ; all other grants are payable from Provincial funds ". All Local fund and Municipal schools have also been taken out of the operation of the Code.

4. The aid to some schools formerly received from Local or Municipal funds is now by the conversion of the schools into "Secondary" schools payable from Provincial funds and the aid to some schools or departments formerly given from Provincial

is now by the conversion of the schools into "Elementary" schools payable from Local and Municipal funds. No Provincial grant is also payable to any Local fund or Municipal schools. The new Code was brought into force in May 1906 with effect from 1st April 1906.

G.O., No. 356, Educational, dated 21st May 1906.

5. Pending the introduction of the new Code, the salary and rent grants paid under the old Code were continued and the adjustment of the payments thus made since 1st April 1906 has now become necessary. The Director does not refer to the fixed and results grants paid under the old Code; but no such payments were apparently made for 1906–1907 till May 1906. Salary and rent grants were payable monthly —(*vide* appendix C on page 48 of the old Code) whereas fixed grants were payable in two instalments in July and January—rule 63—and results grants about the end of the financial year—rule 92.

6. The Director will make the necessary adjustments in the case of the grants drawn for Local fund and Municipal institutions when he proposes the Provincial contribution for education for the current year, but "as regards the grants paid from "Local and Municipal funds to schools under private management it was suggested "to the Accountant-General that either refunds would have to be made by the schools "to those funds or adjustments would have to be made between Provincial and Local "or Municipal funds in respect of the grants drawn from those funds and that if "refunds were undesirable the sanction of Government might be sought to suspend "rule 5 of the Grant-in-Aid Code in such a way as to allow payments made to salary "grant institutions from Local and Municipal funds to stand as part-payment of the "grant under the new system". The Accountant-General prefers the latter course and the Director therefore requests that the operation of rule 5 of the Grant-in-Aid Code may be suspended accordingly.

7. Submitted that this may be done and the draft placed below issued. It seems doubtful, however, whether any suspension of rule 5 is necessary. The Director can make the adjustments as in the case of grants to Local fund and Municipal schools.

Sir,

Under the old Grant-in-Aid Code certain Local fund and Municipal institutions have been in receipt of salary and rent grants from provincial funds and certain schools under private management from local or municipal funds. These grants ceased to have effect from 1st April last when the new Code came into force. Payment of them was not, however, stopped immediately on the publication of the new Code, as Dr. Bourne considered it undesirable to do so until the grants payable to the latter class of schools wholly from provincial funds under the new system were sanctioned, obviously on the ground that it would inconvenience the management financially as some time would elapse before the amount of aid under the new system could be fixed. SUBJECT.

Suspension of the operation of rule 5 of the New Grant in aid Code in such a way as to allow payments made to salary grant institutions from Local and Munl Funds to stand as part payment of the grant under the new system.

Under the old grant in aid Code the grants for teaching payable from Provincial Funds were

Rule 6 (i) + 7(ii)

“ (1) Grants to girls schools and for girls;

“ (2) Grants to European schools and for European pupils;

“ (3) Grants to Mappilla schools situated outside municipalities,
“ and for Mappilla pupils in schools situated outside municipalities;

“ (4) Grants to non-poor schools in the Municipality of Madras;

“ (5) Grants for the fourth & higher standards in poor schools in the

“ (6) Grants to Collegiate and upper secondary departts in district
“ municipalities;

“ (7) Grants for all standards above the third in non-municipal areas;

“ (8) Grants to all schools in the Ganjam, Vizagapatam & Godavari agencies

“ (9) Grants to training schools;

“ (10) Grants to technical and industrial schools.”

These grants were payable alike to schools under the management of Local Boards & municipalities [illegible] and under private management.

Rule 6(ii) + 7(ii)

2. The grants payable from Local and Munl Funds were

“ (1) Grants for boys in lower primary standards of poor schools in
“ the Municipality of Madras;

(2)

Read

(2) grants to primary and lower secondary boys' schools and for boys in the primary & lower secondary standards in district municipalities;

(3) grants to lower primary boys' schools & for boys in lower primary standards in non-municipal areas.

Rule 5. 3. Under the new grant in aid Code "Teaching grants
" on behalf of Elementary schools are payable from or through
" local funds; all other grants are payable from Provincial Funds".

Rule 1. All Local Fund and Muncl Schools have also been taken out of the operation of the Code.

4. ~~The aid to~~ Some schools formerly ~~[illegible]~~ received from Local or Muncl funds ~~[illegible]~~ is now by their conversion of the schools into "Secondary" schools payable from Provincial Funds and the aid to some schools or departments formerly given from Provincial is now by the conversion of the schools into "Elementary" schools payable from Local & Muncl Funds (no Provincial grant is also payable to any Local Fund or Muncl schools). The new Code was

G.O. No 356 d/ 21st May 1906. K. brought into force in May 1906 with effect from 1st April 1906.

5. Pending the introduction of the new Code the salary grant grants paid under the old Code were continued and the adjustment of the payments thus made (since 1st April 1906) have now become necessary. The Director does not refer to the fixed and results grants paid under the old Code but no such payments were apparently made (for 1906-07) till May 1906. Salary and rent grants ~~[illegible]~~ were payable monthly – vide appendix C on page 48 of the old Code – whereas fixed grants were payable in two instalments in July & January ~~[illegible]~~ rule 63 – and results grants about the end of the financial year – rule 92.

6. The Director will make the necessary adjustments in the case of the grants drawn for Local Fund and Municipal institutions when he proposes the Provincial contribution for Education for the current year - but "as regards the grants paid from Local
" and Munl Funds to Schools under private management
" it was suggested to the Accountant General that either refunds
" would have to be made by the Schools to those funds or
" adjustments would have to be made between Provincial and
" Local or Munl Funds in respect of the grants drawn from those funds
" and that if refunds were undesirable the sanction of Govt.
" might be sought to suspend rule 5 of the Grant in aid Code
" in such a way as to allow payments made to salary grant
" institutions from Local and Munl Funds to stand as part
" payment of the grant under the new system". The A.G. prefers the latter course and the Director therefore requests that the operation of rule 5 of the Grant in aid Code may be suspended accordingly.

7. Submitted that this may be done & the draft placed below issued. It seems doubtful, however, whether any suspension of rule 5 is necessary. The Director can make the adjustments as in the case of grants to Local Fund & Munl Schools.
