C. No. 1691 From the D. P. I. No. 6487, dated 11-10-1906.

SUBJECT.

Submitting particulars regarding the supply of periodicals to certain educational officers & institutions

Page 13 of the notes in the linked file. D — In the u.o. reference made to the D.P.I. on the 20th of August last, in connection with the revision of periodicals supplied to educational offices and institutions, the Secretary had asked for information on the following points: —

D — (i) The cost of certain periodicals which it was proposed to supply to the Presidency & Medical College and to the Inspector of Technical Schools.

B — (ii) ~~Information as to~~ the nature of the periodical entitled "Butchunka"

A — (iii) Regarding the subjects dealt with in the Telugu paper 'Desopakari'.

V — (iv) whether the "Journal of Indian Art & Industry" is the same as the "Journal of Art & Industry". ~~and~~ the then director Dr. Bourne promised to furnish the necessary information later on. In his current letter the Hon'ble Mr. Logan submits the information promised by his predecessor.

Para 1 of Current. — 2. In regard to (i) the cost of certain periodicals the Director ~~has~~ furnishes the information except as regards ~~of~~ the Journal of the Army Medical Corps, the 'Journal of the American Medical Association', and the 'Journal of Art & Industry.' it ~~are not stated~~. As the last mentioned ~~latter~~

6

Journal was proposed to be supplied to the Inspector of Technical Schools, and as under para

R 2 of G.O. No. 672 Edl d/ 15.10.06, the supply of periodicals to the Director of Industrial & Technical Enquiries has to be arranged by ~~in a matter concerning~~ Revenue, the omission of the D.P.I. to note the cost of this Journal is immaterial so far as this department is concerned. The other two Journals have been already ordered to be supplied to the

R Medical College in G.O. No. 672 Edl d/ 15.10.06, and ~~but~~ it does not seem to be very essential ~~that~~ we should know their cost now.

3. Information in regard to

Page 2 of current. (ii) nature of the periodical entitled Butchunka will follow.

4. In regard to (iii), "Desopakari"

do do is reported to be a weekly newspaper, which gives general news of different countries & special information regarding, trade, industries and agriculture and is said to be written in an easy style which can be understood by pupils of the 4th standard.

5. In regard to (iv), the information seems unnecessary, as the Journal was proposed to be supplied to the Inspector of Technical Schools and the D.P.I. has not furnished it.

Para 2 of Current. 6. With reference to the concluding portion of para. 2 of the Director's note in page 169 of the notes in the linked file, it is reported that Special reading room fees are levied in the Mangalore College at the rate of 1 Re per term per student for the College classes only. The total amount of such fees collected for the current calendar year is Rs 151.

35

~~5~~. In the Presidency Training School for mistresses, it is stated, special reading room fees are levied at 1 Re per term from the students of the English Training Department and the teachers of the English practising section: The amount so collected amounts on an average to Rs 30 per term. Para 3 of current

It is also ~~stated that~~

~~6~~ Special reading room fees are not levied either in the Madrasa-i-Azam or in the Mercara High School // In the light of this information, the supply of light literature, such as 'Black & White', 'Illustrated London News', to the Madrasa-i-Azam may perhaps be discontinued when the next revision takes place. The periodical 'Knowledge' now supplied to the High School, Mercara is a scientific journal. Para 4 of Current. I

7. Submitted that ~~on receipt of the information promised regarding 'Butchunks'~~, the current may now be recorded with reference to G.O. No. 672 Edl, 15.10.06 R.
